聖公會聖基道兒童院院徽為一巨人手托嬰兒，象徵聖人聖基道一生獻身服侍兒童之精神。本院以聖基道命名，代表本院以無懼的精神，致力協助及照顧那些不幸的家庭及來自破碎家庭的兒童。

S.K.H. St. Christopher's Home is named after a saint, Christopher, the "bearer of Christ". The logo represents the event of St. Christopher who carried the Christ Child across the dangerous river. Following his spirit, the Home aims at providing children and young people in difficulties with concern and loving care.

願景 Vision

成為一間傳承基督的愛，追求卓越的社會服務機構。

To be a social service organization that inherits and spreads the love of Christ and pursues excellence.

使命 Mission

效法基督愛人的精神，以兒童及青少年為本，幫助他們在關愛的環境下成長，發展潛能，並且活出豐盛人生。

Following the love of Christ, to create and sustain a caring environment for children and youth to grow, to develop potentials and to live a life of fullness.

核心價值 Core Values

誠信、尊重、專業和團隊精神

Integrity, Respect, Professional Excellency and Team Spirit

主席之言

Chairman's Remarks

「傳愛、傳希望！」是聖公會聖基道兒童院所要傳揚的訊息。本院以聖人「聖基道」命名，相傳聖人曾耗盡九牛二虎之力，把聖嬰耶穌扛在肩上，渡過洶湧的河流；本院致力效法其守護聖者，竭盡所能協助及照顧處於逆境的兒童，把愛與希望傳揚開去。

去年是充滿挑戰及發展機遇的一年。靠著上帝的指引，本院董事會及員工全人，秉持以兒童及青少年為本的信念，經考慮本院的使命、服務使用者的需要和社會的變化，落實推行三年策略計劃，以「A、B、C」為策略方向，分別為 Advocacy for Policy Changes（政策倡議）、Service Betterment（追求卓越）及 Service Consolidation（鞏固服務），致力倡議適切的兒童及青少年政策及服務，同時成功推進服務優化及發展，開啟了新的里程碑。

本院成立近90年，一直致力保護兒童。因應《強制舉報虐待兒童條例草案》，本院一方面歡迎政府推展保護兒童措施，另一方面積極向立法會提交意見，並舉行《強制舉報虐待兒童條例草案》研討會作跨界別討論，同時整合研討會數據及業界回應，供政府及各界參考，倡議合適政策，攜手為保護兒童出力。

作為全港提供最多兒童之家服務名額的非政府機構，聖基道於去年亦積極就政府提出的兒童住宿照顧及相關服務檢討報告作探究及檢視，除向議會及當局提出意見外，又充權服務使用者，讓他們表達觀點和需要，藉此倡議服務及政策轉變，以更精準回應兒童對住宿服務的需要。

"Pass on love and hope" is a motto summing up the vision and mission of St. Christopher's Home. Named after St. Christopher, whose legend has it that he spent enormous effort carrying the Child Jesus across a dangerous river on his shoulders, the Home is dedicated to following the example of its patron saint, by sparing no effort to help and care for the children in adversity, in order to spread love and hope.

Last year was filled with challenges as well as opportunities. Guided by God's wisdom and focusing on children and youngsters, the Home's Council and staff have begun executing a 3-year strategic plan with "ABC" as the strategic directions. The strategic directions represented by these letters are "Advocacy for Policy Changes", "Service Betterment" and "Service Consolidation", and have been devised after considering the Home's mission, the service users' needs, and societal changes. With strong determination, the Home marked a significant milestone last year as it advocated for policies and services appropriate for children and youngsters, and succeeded in facilitating service advancement and development.

Child protection has always been a priority of the Home in its history of almost 90 years. The Home appreciates the measures taken by the Government to protect children through the introduction of the Mandatory Reporting of Child Abuse Bill and was proactively responding to the Bill by offering its comments to the Legislative Council and organizing a forum to facilitate transdisciplinary discussion. The views and figures collected from the forum have been consolidated for the reference of the Government and the general public so that the society as a whole may formulate better child protection policies.

Being the largest non-governmental organization in Hong Kong providing small group home service, the Home played an active role in studying and responding to the Government's report on the Review of Residential Child Care and Related Services, released last year. Through submission of papers to the Legislative Council and the Administration, as well as empowering service users to voice their views and needs, the Home has taken the

作為一所追求卓越的社會服務機構，為強化機構管治，本院在去年成立了直接向董事會匯報的「內部審計委員會」。此舉將有助院方強化內部監控，鞏固服務及相關規範，並建立三層風險管理框架，為機構持續擴展奠下良好基石。

過去一年，縱然服務挑戰不少，惟本人充滿感恩，靠著上帝的恩典，以及董事會全人、捐助者、合作伙伴、義工、新管理團隊及所有員工的支持及努力，本院服務得以突破限制，服務持續發展，幫助更多兒童在關愛的環境下成長，發展潛能，活出豐盛人生。

展望來年，本院已規劃多個服務發展項目，期盼社會各界繼續與本院「同心童行」，為兒童的福祉而努力！

initiative to advocate for service and policy changes that will result in more accurate responses to the children's need for residential services.

As a social service organization in pursuit of excellence, in an attempt to strengthen corporate governance, last year, the Home formed an Internal Audit Committee which reports to the Council directly. A part of the newly established 3-tier risk management framework, the new committee enables tighter internal control and stricter adherence to regulations concerning service and related aspects, thus laying down a solid platform for the Home's continuous service development and expansion.

The past year was not without challenges, but it was also full of God's grace for which I am grateful. In addition, I must thank our council members, benefactors, partners, volunteers, new management team, and staff members for their unfailing support and unwavering effort with which the Home has been able to break through limitations and expand its service scope, so as to assist more children to grow in a caring environment, to develop potentials and to live a life of fullness.

Looking forward to the coming year, the Home has already formulated several concrete plans for service expansion and development. I earnestly implore different sectors of society to continue working with the Home for the greater well-being of children!

主席 管浩鳴法政牧師
The Revd Canon Peter Douglas Koon
Chairman

總幹事的話

Chief Executive's Remarks

每一位兒童都值得擁有幸福的童年。童年對人類的成長十分關鍵，在物質豐裕的香港，加上出生率持續低，外界一般認為，普遍香港的兒童都被父母視為珍寶，他們理應活在幸福當中。然而，本港每年新增的虐兒數字持續高企，根據社會福利署的數據，單是2023年，本港新增的虐兒個案就有1,457宗，當中過半數（55.8%）施虐者是父母，擁有幸福的童年並非必然。正因如此，本人與員工團隊，在董事會的支持與信任下，致力效法基督愛人的精神，以兒童及青少年為本，幫助他們在關愛的環境下成長，發展潛能，並且活出豐盛人生。

聖基道服務兒童近90年，我們接觸的兒童當中，許多都曾陷於逆境或有創傷經歷，這對他們的情緒、專注力、行為和社交上帶來長遠的負面心理影響，截至2023年12月31日，本院住宿服務有56.9%兒童確診特殊需要，41.81%兒童有確立的受虐經驗，入住兒童住宿服務的孩子各有不同的背景、經歷和需要，一般的管教方法未必適用於他們，特別是處於逆境的兒童。為扶助住宿服務的孩子度過逆境、重建安全感、讓他們在關愛的環境下成長，本院去年致力在住宿服務推廣

Every child deserves to live in happiness. Childhood is a critical period in the process of growth. Prima facie, children of Hong Kong are viewed as "Happy" and are supposed to be regarded as treasures by their parents especially since Hong Kong has a rich economy and a long standing low fertility rate. Nonetheless, this is not the case. In 2023, according to the figures released by Social Welfare Department, the number of newly registered child abuse cases in Hong Kong stood on the high end, i.e. 1,457 cases, of which, more than a half (55.8%) abusers were parents. This was too distressing to be true. Thus, a happy childhood is not inevitable. Following Christ's spirit of love, staff of the Home, with the support of the Council, are determined to foster a loving environment, where young people are enabled to grow, develop their potential and lead a fulfilling life.

St. Christopher's Home has been serving children for nearly 90 years. Many of the children we have encountered were previously in adversity or exposed to trauma, which often had long-term negative impacts on their emotions, attention span, behavior and social skills. Up to December 31, 2023, 56.9% of the children in the residential services of the Home were diagnosed with special needs, and 41.81% of the children had established experiences of abuse. The children in the Small Group Homes (SGHs) had different backgrounds, experiences, and needs, traditional parenting methods might not be effective to these children. To create a loving environment for children who are in adversity, and rebuild a sense of security, the Home not only applied the self-established HEART Discipline Beliefs to the SGH service, but also extended the 5 key beliefs to all the services, facilitating children to develop their positive personality in a healthy and stable environment.

SGH service is the foundation of our Home, to provide more comprehensive support to children and youth living in SGHs, the Home joined the Jockey Club Project Bonfire Project and received funding around HK\$ 50 million in the coming 5 years. Under the funding support of the Project, the Home is able to enhance the facilities and environment of SGHs as well as to employ extra manpower (8 Trajectory Development Managers and 2 Project Officers) to bridge the developmental gap of children and youth living in SGHs. The Project focuses on empowering the children and youth by fostering self-esteem, competence, and social support networks, ultimately

Christmas celebration

HEART 兒童管教信念之餘，更擴闊至應用於全院其他服務，同時積極向家長灌輸當中五大元素的重要性，幫助孩子在健康的成長環境下發展出健全人格。

兒童之家乃是本院服務之根，為使服務持續發展，本院 24 所兒童之家去年參與賽馬會「凝伙」計劃，獲香港賽馬會捐助約港幣 5,000 萬元優化服務。計劃於 2023 年 9 月開展，為期 5 年，將陸續增加 8 名軌跡發展經理及兩名計劃統籌，透過捐助及人力資源，優化兒童之家的環境配套，加強入住兒童之家的兒童及青少年的社交網絡、提升各項技能及拓展多元化經歷，並制定個人化發展計劃，為他們的長遠發展打下堅實基礎。

因應年青人的離院支援需要，本院先後成立三所青年共居房屋，為曾接受兒童住宿照顧服務及缺乏家庭支援的青年人提供可負擔及安全的過渡性居所，協助他們建立自立能力。由於需求殷切，本院在善長的支持下，積極籌備於銅鑼灣新增一所青年共居房屋，預計於下年度投入服務。

過去一年，本院繼續分階段進行兒童之家環境改善工程，三所兒童之家的工程已完成。工程期間，員工一方面維持日常每周 7 天 24 小時運作，同時又要兼顧裝修工程，更為受影響的兒童另覓臨時居所，過程殊不容易，同工的人性化編排，配以上下一心，各家工程項目均能有序進行及推進。期望煥然一新的家舍，能為兒童提供一個更安全及舒適的生活居所。

非住宿服務方面，本年度亦有為數不少的重大發展。管理團隊致力捉緊發展機遇，讓服務得以突破限制，進一步優化及拓展。首先，管理團隊審視及重整了健苗軒的營運方向及定位，加上員工的努力，單位的營運收入較上一財政年度大幅上升 50%，為持續營運提供了健康的經濟條件。

enhancing their personal development and access to community resources.

The Home established 3 T-Lodges i.e. co-living houses, to provide affordable and safe transitional accommodation to youth who are residential child care service leavers and to facilitate their personal development. Given the significant need on transition housing, the Home, with the support of a kind donor, has been actively planning to set up a new "T-Lodge" in Causeway Bay in the coming year.

In this year, the Home continued to carry out Children's Home Environmental Improvement Project (EIP) in three SGHs with the funding from the Social Welfare Department. This presented a unique combination of challenges including renovation works and temporary relocation of affected children. Credits go to the thoughtful coordination of our colleagues and the concerted efforts of all, the three renovation projects were on track to completion. We look forward to brand-new homes that will welcome our children as a safe and comfortable place to grow.

It is glad to share several key developments in the Home's non-residential services in this year. Management proactively grasped every opportunities to strive for developments and enhancements, despite facing obstacles. Firstly, management reviewed the operational directions and re-positioned Kidsmind. With the implementation of the effective business strategies as well as the contributions of staff, the annual income of Kidsmind increased significantly by 50%, laying a solid and healthy foundation for sustainable operations.

On the other hand, Heart Link continued its services to support the low-income and new arrival families through charitable means, with the funding support from Community Chest and various funds.

In non-residential service aspect, the management team made great effort in resuming the renovation and license application process of Kiddie Square, the child care center at Shun Lee Estate aiming to commence service next year. Kiddie Square is to provide day care service to the children aged from birth to under 3. In the meantime, the Home has been preparing to apply for the Jockey Club "Bright Start" Project to solicit more funds and resources for service operation and enhancement.

To plan for service expansion, the Home submitted a proposal to operate Neighbourhood Support Child Care Project aiming to provide flexible child care services while fostering mutual help and care in the community. The Project has to be in operation in September 2024 upon award.

與此同時，同心牽繼續以慈惠模式營運，透過公益金及多個長期伙伴捐助，得以持續為沙田區的基層家庭及新來港人士提供支援，促進社區共融。

另一方面，經各方努力，管理團隊本年度逐步拆解位於順利幼兒中心的工程困境，重新啟動裝修工程，並順利完工，且積極推進發牌程序，預計於下年度開始營運，為0-3歲嬰幼兒及其家庭提供多元化的日間照顧及培育服務，以支援因工作或其他原因無法照顧子女的家長。同時，本院亦積極準備向賽馬會喜步幼兒計劃遞交申請，開展專項計劃，以增取更多資源營運及優化服務。

為配合本院服務發展規劃，本院去年向社會福利署遞交了「鄰里支援幼兒照顧計劃」競投計劃書，以回應家長對日間幼兒照顧的需要，並藉此拓展服務；如成功投得，將於下年度第二季開始營運。

此外，本院已提供幼稚園駐校社工服務多年，一直積極整理服務經驗，去年更邀得香港樹仁大學協助檢視，驗證服務具成效，並於2023年12月舉行的傳媒發佈會倡議服務優化。

在幼兒園營運方面，在本港出生率低的大環境下，仍維持穩定及良好的收生率，葵涌及灣仔兩所幼兒園分別錄得近98%及88%收生率，可見兩園的教學質素及良好口碑，深受家長信賴。

本財政年度，本院重整管理架構，把服務分為「住宿服務」及「非住宿服務」兩大支柱，並增加專項計劃，以反映服務現況，更能有效發揮協同效應，為服務持續拓展奠下基石。

值得一提的是，為鞏固員工對兒童的照顧，本院臨床心理學家團隊除兼顧恆常工作外，亦特別關注兒童及員工的情緒需要，讓他們能更積極應對轉變，故臨床心

與兒童於助養人活動留影

Took photo with a child at the donor gathering event

Meanwhile, our Home has been providing Social Work Service for Pre-Primary Institutions for several years and an evaluation was conducted with the support of Hong Kong Shue Yan University to review the effectiveness of the intervention. With the evidenced service effectiveness of service intervention, the Home organized a press conference in December 2023 to release the findings and advocate for service enhancement.

The two nurseries recorded encouraging enrollment rate (98% for Kwai Chung and 88% for Wan Chai respectively) despite the long-term low fertility rate. This is solid evidence of the parents' recognition of our good educational quality.

The Home was restructured its service mix to encompass designated projects and two main service pillars: "residential service" and "non-residential service". Not only do these reflect the management of our current services, they also enable synergy, laying the cornerstone of the Home's sustainable development and further expansion.

Going above and beyond their routine work, our team of clinical psychologists introduced and applied the Trauma-informed approach in services, aiming to empower our staff to alert and better tackle the emotional needs of our children and themselves.

With great effort from the staff members and the unfailing support from donors, the Home successfully raised nearly \$17 million through various channels and activities. The fundraising income facilitated the Home to formulate a solid financial base to enhance and develop its supportive services for children in need and helping them face adversities, break through boundaries and lead a rewarding life.

理學家更指導員工把創傷知情概念應用於兒童住宿服務之中。

本院去年的籌款工作充滿挑戰，感恩仍獲不少社會人士及善長支持，全年共籌得接近港幣 1,700 萬元善款，以支持本院向失去父母、未能得到家人適當照顧、有特殊學習需要及基層家庭的兒童，提供安穩的環境、照顧、生活所需、培訓、情緒輔導和適切的支援，以及支持本院服務營運及發展，協助兒童面對逆境，突破界限，活出豐盛人生。

受外圍環境影響，加上服務性質充滿挑戰，面對招聘困難，院方一如以往，視員工為寶貴資產，經董事會批准，於本財政年度採取一系列針對性應對措施，包括優化家庭友善措施及員工醫療福利，致力建立員工友善的工作環境，挽留人才。以上措施已見成效，員工流失率由上年度的 35.31%，顯著下降至本年度的 17.03%，讓董事會及管理團隊振奮之餘，更為服務提供較穩定的人力資源，確保服務質素之餘，亦為持續拓展服務奠定根基。本院早前進行員工滿意程度調查，整體滿意程度超過 90%，當中 81% 表示滿意及非常滿意。

展望未來，本人與管理團隊將繼續推行策略計劃，儲備人才，為服務擴展奠下良好基石。同時，本院將繼續進行兒童之家環境改善計劃，期望在 2027/28 年度內完成所有改善工程。此外，本院將繼續推進 Lot T77 (大埔道舊址) 的重建計劃，以幫助更多有需要的兒童，活出豐盛人生。

The Home has always valued staff members as important assets. Due to external factors and the challenging nature of our work, recruitment difficulties and high turnover rate have long been great challenges of our Home. The management team is keen on cultivating an employee-friendly working environment. With the approval of the Council, several employee-friendly measures, such as enhancement of staff medical benefits were introduced in this fiscal year to foster the wellbeing of staff which eventually facilitated staff retention. We are pleased to highlight that the staff turnover rate dropped significantly from 35.31% (2022/23) to 17.03% (2023/24). In addition, over 90% staff reported feeling satisfied and over of which, with 81% rated their satisfaction as very high in our Employee Satisfaction Survey. Staff stability is a key factor in ensuring service quality as well as a solid foundation for the Home's service expansion. The Council and the Management Team are more than happy to witness these positive changes.

In the year to come, the Home will continue to execute the 3-year Strategic Plan under the leadership of the Council and in collaboration with management and staff members. Continued effort will be paid to seek service expansion and enhancement. Meanwhile, the Home will put forward the Lot T77 Project in Tai Po. Additionally, EIP on SGHs will be continued with the aim of completing the improvement work in all the Home's 24 SGHs by 2027/28. In short, the Home will continue its mission to follow the love of Christ, to create and sustain a caring environment for children and youth to grow, to develop potentials and to live a life of fullness.

聖公會聖基道兒童院成立近90年，一直效法基督愛人的精神，持守以兒童及青少年為本的使命，幫助他們在關愛的環境下成長，發展潛能，並且活出豐盛人生。縱使時代變遷，院方仍然秉持初心，以愛和關懷為有需要的兒童及青少年提供適切服務和支援，協助他們走出自己當行的道。

In almost 90 years since the foundation, S.K.H. St. Christopher's Home as a child-and-youth-focused organization inherits and spreads the love of Christ to facilitate the children to grow up in a caring environment, develop their potentials and live their lives to the fullest. Even as times change, the Home has remained true to its mission of providing appropriate services and support to children and youths in need with love and care and assisting them in charting their own ways.

服務報告

Service Report

服務簡介

Our Services

住宿服務

兒童之家為未能獲得家人適當照顧，需要暫時離開家庭的逆境兒童及青少年提供近似家庭模式的住宿照顧服務，以保障和促進他們的健康、福祉及全人發展，並鼓勵兒童發展潛能及培養他們的責任感和自尊心。

本院為全港提供最多兒童之家服務名額的非政府機構，共營運24所兒童之家，每個兒童之家服務8名4至18歲的兒童及青少年，提供192個服務名額及兩個緊急/短期兒童之家服務名額。

寄養服務為初生至18歲因未能獲得家人適當照顧的逆境兒童及青少年安排入住寄養家庭，讓他們在安全穩定的家庭環境下獲得適當照顧，保障和促進兒童的健康和福祉，並關顧他們的全人發展，直至他們能與家人團聚，或獲得其他長遠的福利安排。本院提供45個寄養服務及25個緊急寄養服務名額。

「薈舍」青年共居計劃為曾居於兒童住宿服務並缺乏家庭支援的離舍青年（18至27歲）提供可負擔、安全、穩定的過渡性居所，協助他們建立自立能力，準備將來開展獨立生活。

Residential Service

Serving children and youth who cannot receive adequate care from their natural families, [Small Group Homes \(SGHs\)](#) provide family-like residential care. The Home's is dedicated to protecting and promoting the health, well-being and whole person development of these children in adversity, while developing their potential, sense of responsibility and discipline. Operating a total of 24 SGHs throughout the city, the Home is the largest non-governmental operator of SGH in Hong Kong.

Each home serves 8 children and adolescents aged 4 to 18 so the service capacity is 192 in total, plus two emergency / short-term places.

From newborns to teenagers under 18 years old, the [Foster Care Service](#) matches foster families with children and youth who lack adequate care from their natural families. The service creates a safe and stable family environment that protects and promotes the health and well-being of children, while encouraging their whole person development until reunion with their natural families, or other long-term welfare arrangement. The Home offers 45 foster care and 25 emergency foster care places.

By providing affordable, safe and stable transitional accommodation, the "[T-Lodge](#)" [Youth Co-living Program](#) prepares young residential care service leavers (18 to 27 years old) lacking natural family support to lead a life of independence in the future.

非住宿服務

Non-Residential Service

本院營運兩所**幼兒園**，為2至6歲兒童提供全日制教育，著重兒童均衡發展，並發掘兒童的多元智能，讓他們在歡樂及無壓力中學習及成長，發揮創意。每所幼兒園可容納100名兒童，服務名額合共200位。

The Home operates two **Nurseries** that provide full-day education for children aged 2 to 6. Focused on balanced development that unleashes the endless potentials of children, the two nurseries are platforms for children to learn, grow and express themselves in a fun and stress-free setting. Each nursery accommodates 100 children, with a total of 200 places.

「童行有愛」— **幼稚園駐校社工服務**為學前兒童及其家庭提供甄別及個案輔導服務、親職教育、兒童成長訓練、老師培訓及專業諮詢服務、特殊學習需要兒童支援服務，並為學校提供危機介入之指引、訓練及支援。

“To Kids with Love” - **Social Work Service for Pre-primary Institutions** renders screening, counseling, guidance on parental care and child development for preschool children as well as their families. Staff training, professional consultation and support for children with special educational needs are offered to teachers, in addition to provision of crisis intervention guideline and training.

臨床心理輔導服務為本院及社區之服務使用者提供心理評估、診斷及治療服務。服務亦為員工提供與精神健康相關之個案諮詢及培訓，協助危機事故之處理，推動跨專業合作。此外，服務亦為服務使用者及社區人士推行心理健康教育。

Clinical Psychological Service renders psychological assessment and counseling to the children and their families of the Home as well as those living in the community. The service provides consultation and training to the staff on mental health issues, and service coordination and support in critical incidents. Moreover, the service provides mental health education to service users and general public.

同心牽幫助基層及新來港家庭融入社區，改善有需要兒童的成長環境，提升他們自信及堅毅自強的精神。

Kidsmind provides “multi-profession” and “one-stop” child development service for children aged 0 to 12 and their caregivers. Comprehensive assessment, training and counseling service are offered to facilitate children’s holistic development, enabling them to live a life with confidence and resilience.

年度服務重點

Service Highlights of the Year

A 政策倡議

Advocacy for Policy Changes

聖公會聖基道兒童院致力透過倡議及開拓適切的服務予兒童及青少年，建立兒童友善社會。

S.K.H. St. Christopher's Home has been unfaltering in advocating for and developing appropriate services for children and youth moving towards a child-friendly society.

《強制舉報虐待兒童條例草案》

"Mandatory Reporting of Child Abuse Bill"

本院深信兒童有被保護的權利，保護兒童亦是每個兒童服務工作者之本份，政府於2023年6月刊憲就《強制舉報虐待兒童條例草案》立法，本院成立小組討論、跟進及就草案提交意見書，就完善立法、行政、社會文化、服務支援和教育措施等各方面提出建議。本院更主動與社福機構組成社福關注組，收集業界的關注和建議，向立法會提交意見書，共同協助完善相關法例和指引，務求為兒童提供全面的保護。

總幹事麥潤芸先後應NOW新聞台「時事全方位」、香港電台「自由風自由PHONE」及「千禧年代」節目之邀，接受媒體訪問，向公眾傳達本院對兒童福祉的關注，加強倡導效果。

《強制舉報虐待兒童條例草案》研討會
Seminar on the "Mandatory Reporting of Child Abuse Bill"

The Home firmly believes that children have the right to be protected, and protecting children is the duty of every child service worker. In June 2023, the government gazetted the "Mandatory Reporting of Child Abuse Bill", and the Home has set up a working group to discuss, follow-up, and prepare papers to the Legislative Council, aiming to make recommendations on legislation, administration, socio-cultural, service support, and educational measures. Furthermore, the Home proactively formed a concern group with social service agencies to gather industry concerns and suggestions, working together to enhance relevant laws and guidelines to ensure comprehensive protection for children.

The Home's Chief Executive, Ms. Silvia Mak, was invited by various media programs, such as NOW TV's "News Magazine" and two RTHK radio phone-in programs to convey the Home's concerns about children's welfare and advocate policy changes on children protection."

跨界別業界分享
Cross-sector Discussion

就《強制舉報虐待兒童條例草案》 聖基道兒童院向立法會提交意見書

特首在2022年《施政報告》中宣布推進訂立強制舉報虐待兒童條例草案，並為相關從業員提供培訓，協助他們及早發現和舉報虐待兒童個案。之後勞工及福利局、教育局、醫務衛生局和保安局組成跨政府工作小組，在業界進行諮詢及提出《強制舉報虐待兒童條例草案》。《條例草案》已於6月2日審議，6月14日在立法會進行首讀和二讀。

作為一所多元化的兒童及青少年社會服務機構，聖公會聖基道兒童院一直為優化兒童的福祉而努力，致力建立兒童友善的社會，為減少兒童受虐的風險，歡迎政府推廣保護兒童的措施，並支持《條例草案》，向社會大眾傳達對虐待兒童零容忍的信息，並繼續保護兒童及營造關愛兒童的文化。

為此，聖基道兒童院於8月15日就《條例草案》向立法會提交意見書，內容摘要如下：

1) 增強相關配系的承托能力

- 各界普遍預期，草案通過後，呈報懷疑虐待兒童個案將會大增；據政府計劃於2024年增設一間新的留宿幼兒中心，提供48個服務名額，預計每年平均照顧192名兒童，以應對因呈報虐待兒童個案而產生兒童住宿照顧服務的需求。然而名額之增長可能連應付現時的需求也有困難，建議需要更大力度增加配系。
- 有案建議舉報者在遇到懷疑虐待兒童個案時，需向警方或保護家庭及兒童服務處舉報，然而後者現時並非直接提供24小時服務，如報非政府機構轉達，會增加舉報者身份暴露的風險，延誤接報時間及其後之相關跟進工作。建議既定的接報單位須直接提供24小時接報及支援服務，同時增加對舉報者身份的保護，增加配系資源和足夠人手處理各級

備參考指南，這包括條例、舉報轉達工具等，為強制舉報者提供實務指引，讓專業同工有所依歸。此外，建議書面報告可以簡便之電子表格形式，提交後即時收到電子回條確認，並清楚說明有關當局跟進的流程及時間等。

3) 設定符合比例及更仔細的懲罰準則

建議強制舉報機制的最高罰則應以罰款處理（而非監禁式罰款），並強制未能按規定的呈報者參與培訓，以提高強制舉報人員的意識。

4) 對草案修文定義的意見

a) 草案文件中建議受保護的兒童為18歲以下，但現行16-17歲人士之間或16-17歲人士與成年人士雙

間，應處理案件的審訊，結案時間不一，如案件尚未確立罪行，又如何確定強制舉報者沒有舉報「虐待兒童」？本院建議虐兒個案或立案後才對沒有舉報的強制舉報者作出檢控，並加入申訴機制。

5) 總結

是次立法屬於補救式，唯最佳方法是建立兒童友善社會及文化，讓家長及公眾對保護兒童的認識，配合及早識別和介入高危家庭，為兒童提供全面的保護網。最後，本院期望在草案通過後，政府應設立檢討強制舉報的機制，定期且持續檢視推行情況和運作，評估成效，以便在需要時制定改善方案，使機制能真正發揮安全網的作用。本院同時期望兒童事務委員會發揮其保護兒童政策，加強兒童死亡個案及設立嚴重個案的檢討機制，並在兒童相關政策上，有系統地收集受影響兒童的意見。

於聖公會《教聲》撰寫倡議文章

Opinion piece on SKH "Echo" weekly newspaper

2024年1月，本院聯同香港理工大學應用社會科學系專業實務及評估中心，舉行《強制舉報虐待兒童條例草案》研討會，以「慎思前行」為題，透過立法會議員、律師、學者、相關專業界別從業員及真實個案分享，審視「條例草案」內容、所需配套及帶來的挑戰，並收集業界意見供政府及各界參考，推動完善相關法例和指引，與業界攜手保障兒童利益。

In January 2024, the Home co-organized the Forum on the "Mandatory Reporting of Child Abuse Bill" with Professional Practice and Assessment Centre, Department of Applied Social Sciences, The Hong Kong Polytechnic University. With the theme "Moving Prudently Ahead", the seminar examined the contents of the Bill, its necessary supporting services, and the anticipated challenges through discussion and exchange with members of the Legislative Council, lawyer, academics, relevant professionals, former service users and floor participants. We also collected data and feedback from the sector to provide a reference for the Legislative Council to advocate changes in relevant legislation, and work with the sectors to safeguard the interests of children.

兒童住宿照顧及相關服務檢討

Review of Residential Child Care and Related Services

院方一直重視服務質素，就社會福利署2022年4月展開的兒童住宿照顧及相關服務檢討工作中，本院積極於各個平台發表意見。除就「兒童住宿照顧及相關服務的現況與挑戰」的主題遞交意見書外，兒童之家的家長、離院舊生更與管理層及臨床心理學家一同出席立法會監管保護兒童機構的政策事宜小組委員會之公聽會，將不同持份者對服務的意見帶進議會，望能增加政府當局、議員及社會大眾對服務的關注，從而推動服務的優化及政策轉變。

The quality of services has always been the Home's priority. The Home has been actively participating in the review of residential child care and related services since April 2022. In addition to submitting a position paper on the "Current Situation and Challenges of Residential Child Care and Related Services", parents and former residents of the Small Group Home attended the public hearing of the Subcommittee on Issues Relating to Policy on Monitoring Child Protection Agencies with the management and clinical psychologists. This allowed various stakeholders' opinions on the services to be voiced at the council, hoping to increase the attention of the government authorities, legislators, and the general public, thereby advocating the optimization and improvement of the services.

總結服務經驗 倡議適切離院青年支援

Summarize Service Experiences and Advocate for Appropriate Support for Youths who are Residential Child Care Service Leavers

「蒼舍」青年共居計劃運作三年，為更有效提升服務，本院為服務進行中期檢討，透過量性、質性問卷及聚焦小組收集服務使用者的意見。結果反映計劃能有效「為青年提供可負擔居所」、「為青年提供安全、穩定的環境」及「協助青年建立自立能力」。受訪青年亦肯定社工的支援和陪伴能協助他們順利過渡成年人階段，更有信心面對未來的獨立生活。本院將開展後續支援計劃，並將整理經驗向業界及政府倡議離院後照顧，期望能進一步擴大離院支援住宿服務，讓缺乏家庭支援的青年持續發展及成長。

"T-Lodge" has been running for three years, a mid-term review was conducted, collecting opinions from service users through quantitative and qualitative questionnaires and focus groups. The collected data confirmed that the program achieved the goals of "providing affordable housing for youth," "providing a safe and stable environment for youth," and "helping youth develop independent living skills". It also verified that the support and companionship from social workers helped them transit smoothly into adulthood and face the challenges of future independent living with confidence. The Home is planning to implement a "Pilot After-care Support Program" to assist youth who lack family support in their continuous development and growth. Meanwhile, the Home will share with the welfare sector and government after experience consolidation and advocate for aftercare services for residential care leavers.

三層及早識別補漏機制取得成效 持續向政府及業界建議優化方案

Three-level Early Identification Mechanism Concludes with Fruitful Results
Continue Advocating Optimization Solutions to the Government and Sector

「童行有愛」—幼稚園駐校社工服務於2023年12月舉行記者招待會，發佈由香港樹仁大學協助進行的一項服務成效評估，倡議三層及早識別補漏機制，並發佈在及早識別、專業介入、紓緩親職壓力、支援學校及有福利需要的學前兒童及其家庭的服務成效。當日院方公佈按本院整理服務經驗而建立之「三層及早識別補漏機制」，分別為1) 邀請家長預約駐校社工服務，吸引有需要而高動機的家長主動求助；2) 透過社工課堂觀察、學校轉介，主動支援SEN學童及介入危機家庭，以及3) 透過填寫特定量表了解家庭需要，篩選出中、高風險、隱蔽及有需要但低求助動機之家庭，作跟進介入及支援。

報告指出服務有助及早識別高危家庭，並有效降低家長壓力指數(平均4.6%)，高親職壓力指數的家長(60分或以上)平均壓力指數大幅降低9.2%。社工的介入能顯著減輕父母的壓力。本院將持續向政府及業界優化方案，建議政府增加社工駐校日數，減少服務機構的替換，以及增撥資源提供臨床心理學家的評估及支援服務，有助提高服務的質量。

In December 2023, the Home's "To Kids With Love" Social Work Service for Pre-primary Institutions hosted a press conference to release the findings of the programme evaluation previously conducted with the assistance of Hong Kong Shue Yan University. The evaluation result proved that the Home's initiated "Three-level Early Identification Mechanism" is helpful and effective in early identification, professional intervention, parental stress relief, school support, and welfare services for preschool children and their families. The "Three-level Early Identification Mechanism" was introduced in the press conference, which includes 1) inviting parents to schedule appointments with social workers to encourage parents in need to seek help actively; 2) identifying students with special educational needs and intervening families at risk through classroom observation by social worker and school referrals; and 3) adopting index to identify family needs, screening out families at medium and high risk, hidden, and those in need but with low motivation to seek help, for follow-up intervention and support.

The report indicated that our service effectively identified high-risk families and successfully reduced parental stress levels (by an average of 4.6%). Parents with high parenting stress levels (scored 60 or above) experienced a significant reduction in average stress levels by 9.2%. The social workers' interventions were able to alleviate parental stress significantly. Based on the service experience and the evaluation report, the Home suggested increasing social worker's number of stationing days, avoiding changing service operators frequently, and allocating more resources to provide assessment and support services by clinical psychologists.

the Home-School Support Service"

就施政報告及福利議題表達意見

Express Views on Policy Address and Welfare Issues

本院積極就施政報告及福利議題表達意見，並參與界別內舉行的研討會或公聽會，如香港社福界心連心大行動不同交流會，香港社會服務聯會、立法會福利事務委員會及法案委員會等。其中包括《香港社福開新篇高峰會暨香港社福界心連心大行動成立典禮》、「社福機構管治委員會主席『心連心』新春聚會」、「『專項基金』：社福機構與社署『心連心』分享交流聚會」、並連同同心牽服務使用者出席就2024年行政長官施政報告社福政策舉行之聚焦小組，積極表達了對「專項基金」、扶貧工作、兒童服務、《強制舉報虐待兒童條例草案》的多項建議及期望，支持特區政府良政善治。本院出席了香港社會服務聯會與社會福利署透過合辦福利議題及優次會議，就與兒童相關的福利政策規劃重點和優次，表達建議。

The Home actively expressed views on policy address and welfare issues in different exchange gatherings organised by Connecting Hearts Limited, The Hong Kong Council of Social Service(HKCSS) and Legislative Council, etc., including the "Starting A New Chapter in Hong Kong Social Welfare" Summit cum Inauguration Ceremony of the Hong Kong Social Welfare Sector Heart to Heart Joint Action", Spring Gathering for Governing Committees of Social Welfare Organizations, Sharing and Exchanging Gathering on Dedicated Fund for Social Welfare Organizations and Social Welfare Department. The Home also attended the focus group to social welfare policies on 2024 Policy Address with service users of Heart Link, actively expressed our opinion on the "Dedicated Fund", poverty alleviation work, children's services, and the Mandatory Reporting of Child Abuse Bill. The Home also attended the meeting co-hosted by HKCSS and the Social Welfare Department to discuss welfare issues and priorities related to children, where we expressed our recommendations regarding the key points and priorities of welfare policy planning.

就社會福利議題作分享及交流
To share and exchange views on
social welfare issues

公職參與

Public Services

年度內本院代表業界參與不同政府、公共機構等公職。包括本院總幹事被委任為香港賽馬會慈善信託基金賽馬會「凝伙」計劃諮詢委員及助理總幹事參與成為香港社會服務聯會兒童及青少年服務專責委員會成員。

Throughout the year, the Home has represented the sector in various committees of the government and public institutions. This includes the Chief Executive being appointed as a member of the Community-home Opportunity: Enhance the Development Trajectory of Children and Youths Residing in Small Group Homes Advisory Committee under The Hong Kong Jockey Club Charities Trust, Assistant Chief Executive serving as a member of HKCSS's Specialized Committee on Children and Youth Services.

年度服務重點

Service Highlights of the Year

B 追求卓越 Service Betterment

隨著時代變遷，為回應不同服務使用者的需要，聖基道現已發展成多元化兒童服務機構，我們的團隊積極探索各種服務新意念，並適時檢討及完善現有服務，務求與時並進，精益求精，追求卓越。

As time changes, in response to the needs of various service users, the Home provides child-focused social service in Hong Kong. Our team actively explores new ideas for services and regularly reviews and improves existing services, striving to keep pace with the times, pursue excellence, and achieve continuous improvement.

建立穩健的機構管治 完善風險管理 Establishing Robust Organizational Governance and Improving Risk Management

有效的風險管理是企業管治必要及不可或缺的部分。本院按策略方向，於去年成立「內部審計委員會」，負責監督管理層設計、實施和監察風險管理及內部監控系統。為此，本院亦新設「內部審計總監」職位，以協助內部審核委員會履行責任。

Effective management of risks is an essential and integral part of corporate governance. Last year, the Home established an "Internal Audit Committee" based on the strategic directions to oversee the Home's management in the design, implementation and monitoring of internal control system. To achieve this, the Home created a new position of "Director of Internal Audit" to assist the Internal Audit Committee in discharging its duties.

本院每年根據《最佳執行指引》自我評估清單，作為機構推行相關政策及程序的周年檢討。並就服務規定、質量及成效作評估，編寫《最佳執行指引》自我評估報告。

The Home conducts annual self-evaluation to review the implementation of relevant policies and procedures, as well as to assess the service regulations, quality, and effectiveness based on the "Best Practice Manual" checklist. This process culminates in the preparation of the "Best Practice Manual" self-assessment report.

同工會議
Staff meeting

去年，本院制定了風險管理名冊，包括建立了風險矩陣，按後果的嚴重性及發生的可能性，評估已識別風險，以釐定風險評級，並以統一的方式記錄風險評估結果。所有已識別的風險及其評分和等級、現行監控措施及擬訂應對計劃均涵蓋於名冊中。

本院亦進行中央跨部門服務質素巡查，確保單位之服務及運作，符合《服務表現監察制度》的要求及院方的政策程序及指引運作，並從中查找有待改善之處，促進整體服務質素的提升。

Last year, a risk register template was developed along with a risk matrix that defines the level of risk by considering both likelihood and consequence severity. This matrix is used to evaluate the identified risks. The results of risk assessments are recorded in a unified manner, and all identified risks, along with their risk rating and existing controls and mitigation measures are included in the registry.

Additionally, our Home has conducted cross-unit service quality inspections to ensure that the services and operations comply with the requirements of the Service Performance Monitoring System and the Home's policies, procedures, and guidelines. These inspections aim to identify areas for improvement and promote the overall enhancement of service quality.

展開賽馬會「凝伙」計劃

The Hong Kong Jockey Club Charities Trust, JC Project Bonfire

本院一直關注兒童住宿服務使用者及離院青年的需要，為填補服務空隙，本院喜獲香港賽馬會慈善信託基金捐助，推出為期五年的賽馬會「凝伙」計劃，旨在為居住在兒童之家的兒童及青少年建立良好的成長環境，連結社會資源，實踐個人化的發展計劃，建立自信及志向，完善離院青年的發展軌跡。

The Home has always been attentive to the needs of children who are receiving residential care service and leavers of residential childcare service. To bridge the service gap, the Home was pleased to kick start a five-year project "JC Project Bonfire" with the donation from the Hong Kong Jockey Club Charities Trust, aiming at creating a nurturing environment, establishing individualized development plans, and providing continuous support to connect them with community resources to help them build self-confidence and aspirations for their overall growth, as well as better trajectory.

培育青少年的自信心及團體精神

Fostering the confidence and team spirit of adolescents

助青年發展個人才能

Helping youth develop their personal talents

防患於未然—及早識別學習及發展障礙之兒童

Early Screening Program for Children with Psychoeducational Needs

學童執行能力訓練
Executive ability training for children

據世界衛生組織2020年預計，兒童精神及發展障礙將於未來十年，成為全球五大兒童死亡、發病及殘疾主因之一。而兒童住宿服務之服務使用者，因著出生時之生理因素及兒童逆境經驗，令病發率比整體人口為高。有見及此，承蒙香港賽馬會慈善信託基金資助，本院臨床心理輔導服務為住宿服務12歲以下之96名兒童，進行為期六個月的「臨床心理個案篩選及分流服務」。透過問卷、簡短測試、面談及個案資料分析，篩選需接受進一步兒童精神及發展障礙評估之兒童，以及早識別有需要之兒童及配對合適之復康服務。

The World Health Organization predicts that childhood neuropsychiatric diseases will be among the five most common causes of morbidity, mortality and disability among children and youth in 2020. This is particularly the case in children's Residential Service, which consists of children with congenital vulnerability and adverse early experiences as major risk factors. With the support from the The Hong Kong Jockey Club Charities Trust, Clinical Psychological Service has launched a 6-month project in the "Early Screening and Triage Program for Children with Psychoeducational Needs" for 96 children under the age of 12. Through screening tools/tests, analysis of professional reports and documentation and face-to-face interviews, children were screened for their psychoeducational needs and triaged to further diagnostic and rehabilitation services.

海外交流 啟迪嶄新教學思維

Gaining New Teaching Perspectives through Overseas Exchanges

兩所幼兒園去年積極參與海外考察活動，汲取學前教育經驗，促進教師優化校本課程及教育法。

葵涌幼兒園參與由香港幼稚園教育專業交流協會主辦的「安吉遊戲學習團——香港幼兒教育訪滬交流團」，以不同角度去瞭解安吉自由遊戲的內容及模式。幼兒園亦在交流後於K2及K3班應用自由遊戲的原則及策略，發現兒童在體能發展、社交溝通、解難能力、創意及情緒表達方面均有所提升。此外，獲香港教育大學幼兒教育學系推薦，到珠海參與第六屆中國教育創新成果公益博覽會，向外界介紹葵涌幼兒園的教學成果，同時觀摩學習及參與工作坊、論壇等，認識了不同地區的幼兒教育模式及課程。

介紹聖基道幼兒園的優質教學法
Introducing the excellent teaching practices of the Nursery

安吉遊戲學習團
Learning through Play - Anji Early Childhood Education Exchange Tour

灣仔幼兒園校長參與由教育局舉辦之澳洲墨爾本幼稚園考察團，到訪五所各具特色的學前機構，了解墨爾本強調由兒童自由探索及學習的教育特色。灣仔幼兒園其後引入大自然教學，帶領兒童走出課室，在自然環境中進行探索和發現知識，豐富兒童的學習經歷及培養正向價值觀。

Last year, two Nurseries of our Home actively participated in overseas study tours to gain valuable insights into teaching and to enhance school-based curricula and teaching pedagogies.

Kwai Chung Nursery participated in the Learning through Play - Anji Early Childhood Education Exchange Tour, organized by the Association of Hong Kong Kindergarten Education Professional Exchange, which provided different perspectives on understanding the content and model of Anji free play. Following the exchange, the Nursery applied the principles and strategies of free play in K2 and K3 classes. It was found that children showed improvements in physical development, social communication, problem-solving skills, creativity, and emotional expression after participating in free play activities. Furthermore, as recommended by the Department of Early Childhood Education at The Education University of Hong Kong, the Nursery participated in the 6th China Education Innovation Expo in Zhuhai, showcasing the teaching achievements to the public. Teachers also learned more about the model and curricula of early childhood education through observation and participation in workshops, forums, etc.

Wan Chai Nursery's principal participated in an education tour to Melbourne, Australia organized by the Education Bureau. Through the visit to five early childhood centres in Melbourne, participants learned the educational characteristics of Melbourne that emphasize children's free exploration and learning. The Nursery then introduced elements of nature-based teaching, guiding children out of the classroom to explore and discover knowledge in natural environments, enriching children's learning experiences and developing positive values.

參觀蒙特梭利學校
Visit Melbourne Montessori School

完善人力資源配套及建立友善工作間

Improve Human Resources and Create Employee-Friendly Workplace

去年，在有限資源內，本院推出了多項員工友善措施，著力建立友善工作間、提升員工福祉及工作滿足感。當中包括新增多項關愛假期，包括生日假、結婚假等，並放寬員工支取不同類別的假期的限制；而醫療福利更提供彈性選擇，包括可使用於參加提升身心健康之活動及旅遊等，抒緩工作壓力。就各項的優化措施亦獲員工的一致欣賞和支持。不論工作滿意度、員工福祉或機構歸屬感均有所提升。

Last year, within limited resources, the Home implemented a number of staff-friendly measures aimed at creating a welcoming workplace and enhancing employee well-being and job satisfaction. Several holidays were added, including birthday leave, marriage leave, and bereavement leave. Restrictions on leave taken by employees were relaxed. Moreover, the medical benefits were designed to provide flexibility for employees to enhance their physical and mental health through activities and travel. These various measures received unanimous appreciation and support from employees, leading to increased job satisfaction, improved staff well-being, and a stronger sense of belonging to the Home.

上下一心
Together we stand

優化系統及升級中央資料庫

System Optimization and Central Database Upgrade

為簡化日常運作，配合院方新推行的健康津貼及方便跟進各項申請，本院推出人力資源網上自助申請假期及醫療福利申請系統。本院亦自家開發固定資產管理系統，方便各單位自行申報或查閱資產狀況，提升效能。

To streamline daily operations and align with the Home's new health benefits, as well as to facilitate applications, the Home has launched an online Human Resources self-service system for applying for leave and medical benefits. The Home has also developed a fixed asset management system to allow each unit to report or review the status of assets to enhance efficiency.

為完善捐助服務的質素和效率，加強對外聯繫及籌款工作，捐款人中央資料庫升級工程已於去年完成，提高服務效率及準確度，更有效管理捐助服務。

To improve the quality and efficiency of donation services, strengthen external communication, and enhance fundraising efforts, the central donor database upgrade project was completed last year, increasing service efficiency and accuracy, and allowing for more effective management of donation services.

年度服務重點

Service Highlights of the Year

C 服務鞏固 Service Consolidation

89年來，聖基道一直效法基督愛人的精神，恪守以兒童及青少年為本的使命，無間斷地為兒童及青少年提供支援，並不斷檢視及優化，讓服務得以鞏固，為兒童及青少年營造關愛的成長環境。

For 89 years, St. Christopher's Home has followed the spirit of Christ's love, steadfastly adhering to our mission centered on children and youth. We have continuously provided support to children and youth while consistently consolidating service experience and advancing service quality, ensuring a nurturing environment for their growth.

「創傷知情」理念之推展及應用 Promote Trauma-informed Care

創傷知情照顧工作坊
Introduction to Trauma-informed workplace

根據本院服務統計，本年度因受虐而接受**住宿服務**的兒童達47%。童年逆境經驗容易影響精神健康、構成發展問題及對成人生涯造成風險因素。

According to our service statistics, 47% of children admitted to **Residential Services** were victims of abuse. Adverse childhood experiences can significantly impact mental health, lead to developmental issues, and may induce potential risk factors in their adult lives.

因此，為兒童及青少年提供具療愈性的住宿環境相當重要。創傷知情是一種關注個人過去創傷經歷，及建立療愈環境的方法。這種方法強調理解和識別創傷對個人行為、情感和心理健康的影響，並在服務時考慮到這些因素。

過去一年，為更有效地支援曾受創傷影響的兒童及青年，幫助他們重建生活和恢復心理健康，臨床心理學家走訪到不同**住宿服務**單位進行相關訓練，協助同工認識和辨認創傷；強化同工對創傷及服務使用者的了解外，同時培養同工的自我關顧、建立友善的服務及工作環境。

Therefore, building a healthy environment for children and adolescents is of utmost importance. Trauma-informed care is an approach that focuses on an individual's past trauma experiences and aims to create a healing environment. This approach emphasizes realizing and recognizing the impact of trauma on individual behavior, emotions, and mental health, considering these factors during service delivery.

Over the past year, to more effectively support children and youth suffering from trauma and help them rebuild their lives and restore their mental health, Clinical Psychologist has provided relevant training to various **Residential Services**. This training assisted staff in realizing and recognizing trauma and building a friendly environment for provision of service.

定期舉辦寄養家長茶聚
Tea gatherings for foster parents regularly

寄養服務方面，本院亦積極裝備寄養家長實踐創傷知情照顧，透過不同活動介紹兒童成長發展，讓家長認識正向管教，並定期舉辦寄養家長茶聚，讓寄養家長在照顧兒童之餘也能學習自我關顧，為兒童提供更優質的照顧。

過去一年，本院為同工提供了共 16 節培訓，出席人次共 200 人，以支援同工以創傷知情照顧模式提供服務。

寄養家庭農莊活動
Farm activities for foster families

For **Foster Care Services**, the Home actively equips foster parents to practice trauma-informed care. We introduced child development through various activities, helping parents understand positive discipline. Additionally, we regularly held tea gatherings for foster parents, facilitating them to learn self-care while caring for children, thereby providing quality care for the children.

In the past year, our Home has offered a total of 16 training sessions for staff, with a total attendance of 200 participants, to support staff in providing services based on the trauma-informed care model.

推廣管教信念 助同工掌握與應用

Promote Child Discipline Beliefs for Staff Understanding and Application

HEART 兒童管教信念是本院服務的基石，亦成為服務鞏固的重要項目。因此，本院在服務中持續推展管教信念。此外推行家庭為本服務及增加青年參與亦為**兒童之家**的服務重點。本院編制了管教信念文集入門版，協助新入職的同工掌握相關服務信念。

除此之外，**同心牽**亦以機構之管教信念HEART為藍本，全面重整及優化恆常學習班組的模式，包括增設開課前及完結前之家長會，讓家長及導師在非學術範疇，發掘兒童的潛質，予以更多欣賞鼓勵及建立關愛正面文化成長環境。

The HEART Discipline Beliefs is the foundation of Home's services. Promoting child discipline beliefs in all services is a key strategic item of our Home. Meanwhile, implementing family-based services and increasing youth participation are service focuses of the **Small Group Home**. This year, the new booklet of the Home's discipline beliefs was recompiled to enable all staff to grasp and apply the discipline beliefs in an accessible way.

Heart Link has restructured and optimized the regular groups based on the HEART Discipline Beliefs. This included the addition of parent meetings before and after groups, enabling parents and instructors to explore children's potential other than academic areas, providing more appreciation and encouragement, and fostering a caring and positive cultural growth environment.

言語治療師與寄養家長分享兒童的語言發展里程碑

管教信念文集
Compilation of the Home's discipline beliefs

拓展家長教育

Expand Parent Education

家庭教育對幼兒健康成長是不可或缺的一環。過去一年，本院**兩所幼兒園**積極透過支援家校合作、拓展家長教育，促進家長與學校的伙伴關係。

本學年，**灣仔幼兒園**積極配合本院策略方向，推廣家長教育及管教信念，為家長提供了不同類型的講座及活動，如「教出自我管理小達人」家長講座幫助家長認識不同的管教方式，「香薰舒壓工作坊」讓家長認識心靜與正向管教的關連，學習關注及舒緩自己的壓力。此外，園方亦安排家長觀課，讓家長更瞭解學校的課堂安排及子女的學習表現，藉增強家校合作，提高教育效果，促進子女的全面發展。

Family is a basic unit which plays important role in nurturing children's health development. Over the past year, the Home's **two Nurseries** have actively supported home-school collaboration and expanded the scope of parent education to promote home-school partnerships.

This year, **Wan Chai Nursery** has echoed the Homes' strategic plan to promote parent's education and Home's discipline beliefs through various workshops and activities, such as the "Raising Self-Managing Children" seminar promoting different parenting styles to parents so as to effectively nurture their children's development. Additionally, the "Aromatherapy Stress Relief Workshop" allowed parents to explore the connection between mindfulness and positive discipline, helping them to manage and alleviate their stress. To further enhance parents' understanding of their children's learning progress and performance, the Nursery has arranged classroom observation for parents, strengthening home-school collaboration, improving educational outcomes, and supporting the holistic development of children.

發展潛能

Develop Children's Potential

為讓兒童展現不同方面的潛能，**幼兒園**積極鼓勵兒童參與課後活動和比賽，包括校內天才表演、非華語生說廣東話故事、朗讀普通話短文和填色比賽等。

葵涌幼兒園進一步提倡自由遊戲，由老師帶領兒童參與有趣的自由遊戲活動，以提高兒童的學習興趣、自信心和自我照顧能力，從小培養幼兒獨立自學的精神，在不同領域中發揮潛能。

To help children showcase their diverse potential, our **Nurseries** actively encourages children to participate in various extracurricular activities and competitions, including the school talent show, Cantonese storytelling for non-Chinese speakers, Mandarin reading contests, and coloring competitions.

Kwai Chung Nursery further promotes free play, with teachers guiding children to engage in free play activities to enhance their learning interest, self-confidence, and self-care abilities, cultivating children's ability for self-directed learning and unleashing their potential.

擴展服務形式 全面照顧孩子需要

Expand Service Forms to Comprehensively Address the Needs of Children

本年度，**健苗軒**開展了入校小組服務，為有需要的小學提供專題小組，以配合學校及學童的多方面發展及需要；當中包括專注小特工小組、社交情緒小組、任務小達人小組，亦有幼稚園升小面試班、家長管教小組及入校專題講座，以擴展服務種類。

同心牽透過年度服務滿意程度及服務期望調查問卷，收集持份者（家長及導師）對整體服務的滿意程度、改善之處及來年推行服務的方向，以檢視服務優勢、限制及改善之處以配合各服務使用者的需要及提升服務的質素。

另外，為強化團隊與會員之關係，新增了同心家長學堂計劃，鼓勵家長會員到中心參與親子活動及培養親職技巧，以提升家庭聯繫，促進和睦。計劃進行期間舉辦了8次參觀體驗活動、2個家長學習小組及6個家長興趣小組。

Kidsmind launched outreach school group service this year, offering specialized groups for primary students in need to meet the developmental needs of schools and students. The groups cover a wide range of areas such as attention enhancement, social-emotional skills, and executive functioning. Additionally, primary school pre-admission interview classes, parenting discipline groups, and thematic lectures for schools were arranged, to expand the variety of services offered.

Through the annual Service Satisfaction and Service Expectation Survey, **Heart Link** collected the satisfaction level of stakeholders (parents and tutors) on the overall service, areas for improvement and the direction of service implementation in the coming year, so as to review the service strengths, constraints and areas for improvement in order to cope with the needs of the service users and to enhance the quality of the service.

In addition, the centre launched the parent academy program, encouraging parent members to participate in parent-child activities and develop parenting skills to enhance family harmony. A total of 8 experiential activities, 2 parent learning groups, and 6 parent interest groups were organized.

鞏固地區學校及團體網絡 Strengthening Cooperative Network

為達致互相支援及資源共享，惠及更多有需要兒童及家庭，**同心牽**持續與區內十多個辦學及社區團體合作，組織及合辦多元化活動，聯合聖公會主風小學，聖公會靈風堂及其他鄰近合作夥伴舉辦關愛嘉年華，透過表演及攤位遊戲宣揚社區關愛精神。本年度中心更加入沙田「禾豐源」地區聯席，進一步提升地區合作，凝聚多方面資源，共同服務區內街坊。

To achieve mutual support and resource sharing for the benefit of more children and families in need, **Heart Link** continued to collaborate with over 10 educational and community partners to co-organized a variety of activities. A Caring Carnival was held in collaboration with S.K.H. Holy Spirit Primary School, HKSKH Holy Spirit Church and other nearby partners, promoting the community spirit through performance and booth games. The centre also joined the "Wo Fung Yuen" joint committee in Sha Tin, further enhancing regional cooperation to achieve mutual support and pooling diverse resources to serve the local community together.

安蔭兒童之家 琳(化名)

從小我已經歷很多家庭問題，雖然我知道不是我的錯。我小五的時候就被安排入住聖基道的兒童之家。我剛剛入住的時候，無論是人際關係還是環境，也令我感到不適應，好多事情都不明白或不知道應該怎樣處理，情緒時常不穩。這段日子，家舍的家長一直關懷我、陪伴我，讓我知道有人一直在我身邊陪著我。

不經不覺，我已在家舍住了近六年。在這六年中，我有很大改變，雖然隨年月會變得成熟，但我認為是因為這裏的人讓我變得更好。我參加過中央青年工作小組，其中在The First Yes活動中，我看到自己有策劃活動的能力，也看到自己處事認真的一面。

經過這六年不斷成長，現在的我已經跟六年前的我不同。現在的我學會了獨立、學會了理財、學會了守時、學會了與不同背景的兒童相處、包容他人、明白他人限制和變得成熟。我會帶著這些年間建立的特質，所學習到的事情，在我快將成為成人前，繼續好好感受生活，身心健康地成長。

沙灘樂悠悠
Having fun on beach

Lam (a pseudonym), Service User of On Yam Small Group Home

Since childhood, I have experienced many problems in my original family. Although I know it's not my fault, I was arranged to admit to Small Group Home of St. Christopher's Home when I was in Primary 5. When I first moved in, I felt uncomfortable with both the interpersonal relationships and the environment. I am not familiar with things in the Home and I didn't know how to handle them, which often upset me. During this time, the house parents continuously cared for me and accompanied me, it was good as there was always someone by my side.

Unknowingly, I have lived here for nearly six years. During this time, I have undergone significant changes. While some may attribute this to simply growing older, I believe it is the people here who have fostered me to become a better me. I have participated in various Central Youth Activities, including "The First Yes." Through "The First Yes," I unlocked my ability to plan events and recognized my earnest approach to handling tasks.

After six years of continuous growth, I am no longer the same person I was six years ago. I have learned to be independent, manage my finances, be punctual, and interact with children from diverse backgrounds. I have also learned to be inclusive, understand others' limitations, and mature. As I approach adulthood, I will carry these qualities and lessons with me, continuing to fully embrace life and grow in a healthy manner, both physically and mentally.

寄養家長 馮姨

眨眼間成為寄養家長已經16年，當初成為寄養家長源於百無聊賴的退休生活。有一天，看到差餉單附上的宣傳單張，單張上大手牽著小手，頓時覺得照顧有需要的孩子似乎很有意義，就這樣開展了寄養之路。

16年間，我共照顧過3位兒童，最長的一位是嘉偉，自4歲起成為我家的一份子，今年已經踏入第12年。多年來，看到孩子的進步，令我最為快樂。例如，嘉偉從前語言發展較同年齡人慢，到現在可以清楚地表達自己的想法及感受。能目睹他一點一滴的成長與進步，很是鼓舞，這亦是我繼續做寄養家長的意義和動力。

最初，我以為只需照顧好孩子的「衣食住行」，後來才發現遠比我想像中挑戰多。這包括與孩子建立關係、關注他們各種行為、情緒，並給予適切的教導，一個具備愛和關懷、穩定的成長環境才能使他們茁壯成長。

「給予者」的角色從來不單指寄養家長，小朋友也「給予」我很多的快樂，教會我很多。寄養服務不是一份工作，是有機會陪伴孩子們成長的緣份，也是互相扶持和學習的機會。期望更多人加入成為寄養家長，讓更多有需要的兒童可以健康快樂地長大。

Auntie Fung, Foster Parent

I've been a foster parent for 16 years now, and it all began during my retirement when I found myself feeling bored with idle time. One day, I saw a flyer attached to my tax bill featuring a large hand holding a small hand, and it suddenly struck me how meaningful it could be to care for children in need. This moment sparked my journey into Foster Care.

Over the past 16 years, I've had the privilege of caring for three children, with the longest being Ka Wai, who has been a part of my family since he was just 4 years old. This year marked our 12th year together. What brings me the most joy is witnessing the children's progress. For instance, Ka Wai initially had a slower language development compared to his peers, but now he can clearly express his thoughts and feelings. Being able to witness his growth and development is incredibly encouraging, and it is this that motivates me to continue being a foster parent.

At first, I thought my role was simply to ensure the children had their basic needs met, but I later realized that the challenges were far greater than I had imagined. This includes building relationships with the children, paying attention to their behaviors and emotions, and providing appropriate guidance. It is essential to create a stable environment filled with love and care for them to thrive.

The role of a "giver" is not solely that of the foster parent; the children have also "given me" immense joy and taught me many valuable lessons. Fostering is not a job; it is a meaningful opportunity to accompany children as they grow, and it is also a chance for mutual support and learning. I hope more people will consider becoming foster parents so that more children in need can grow up in a healthy and happy family environment.

馮姨與寄養兒童
Auntie Fung and her foster child

「蒼舍」青年 Bonnie(化名)

回想起，剛搬進蒼舍時的我還是中學生，當時正進入中學文憑試的最後倒數。那時我一邊適應新環境，一邊準備文憑試，一點也不容易。慶幸的是與我共居的幾個青年，總會在我需要幫忙時伸出援手，幫助我融入共居生活。

在蒼舍，我擁有獨立的空間，讓我可以自己的房間安靜地溫習。在蒼舍，我能擁有自主的機會，讓我可以按自己的計劃更彈性地安排作息。相比起昔日在兒童之家的生活，獨立自由的生活更考驗個人的自律性和主動性。我時刻提醒著自己「不可鬆懈，要努力向著目標前進」。最終在文憑試取得滿意的成績並成功入讀理想學科。

在這一年多的時間，我由中學生成為大學生，從在家舍被照顧來到蒼舍學習自我照顧。在這裡，我體驗到真正的獨立生活。原來「獨立」是有很多事情都需要自己獨自處理和解決。在這裡，我學習到如何有效地解決日常生活所面對的困難，懂得在需要時向同伴請教。在這裡，我學習到與人相處之道，懂得如何拿捏分寸。這是過去一年多，共居生活帶給我的成長與改變。

參與聖基道愛心朱古力義賣

Participating in the Home's chocolate charity sale event

Bonnie (a pseudonym), Youth from T-Lodge

Looking back, I was still a secondary school student when I first moved into T-lodge, and I was in the final countdown to the Hong Kong Diploma of Secondary Education. At that time, I had to adapt to a new environment while preparing for the exams, which was quite challenging. Fortunately, the few young people I lived with were always willing to lend a helping hand when I needed it, which helped me integrate into co-living life.

In the T-lodge, I had my own private space where I could study quietly in my room. I also had the opportunity to be independent, allowing me to arrange my schedule flexibly according to my own plans. Living independently and freely tested my self-discipline and initiative much more than my life in the Small Group Home. I constantly reminded myself, "Don't slack off; keep striving towards your goals." Ultimately, I achieved satisfactory results in the HKDSE and successfully enrolled in my desired university program.

Over the past year and a half, I transitioned from a secondary school student to a university student, moving from being cared for in the Small Group Home to learning self-care in a co-living home. Here, I experienced true independent living. I realized that "independence" means handling and solving many things on my own. I learned how to effectively address daily life challenges and seek help from peers when needed. Additionally, I gained insights into how to interact with others and understand boundaries. This is the growth and change that co-living life has brought me over the past year and a half.

灣仔幼兒園 安澤煦家長

我的孩子說，老師在小朋友吃飯時不僅是維持秩序，而且關心每一個小朋友是否吃好吃飽；當他和其他小朋友發生衝突時，老師不會很嚴厲地批評他，而是耐心地講道理，直到兩個小朋友高興地手拉手，快樂地交談起來。

聖公會聖基道灣仔幼兒園是一所給予孩子溫暖的幼兒園，幼兒園的校長和每一位老師都是真正愛孩子，對每一個孩子都充滿愛的有心人，是用心用情去呵護每顆幼小心靈的護花者，是一群真正懂得育兒精髓、負責任的引路人。

An Ze Xu's Parents, Wan Chai Nursery

My child mentioned that the teachers at his Nursery not only maintain order during mealtime but also care if every child is eating well and feeling satisfied. Once he had conflict with other children, the teachers didn't scold him harshly; instead, they patiently explain the situation until both children happily hold hands and engage in conversation again.

St. Christopher's Wan Chai Nursery is a warm and nurturing environment for children. Both the Principal and every teacher genuinely care for the children, filled with love and compassion for each individual. They are dedicated guardians who nurture and protect every child's heart, and they truly embody the essence of responsible parenting as guides for the children.

安澤煦一家
An Ze Xu's family

葵涌幼兒園 若琳、若翹和匡翹家長李太

我三位孩子都就讀於聖公會聖基道葵涌幼兒園。時光飛逝，入學的情景猶像昨天，記得當時我們一家剛搬到區內，父母雙方均在職而且還有一位幼齡長女，為雙生姊弟張羅學校時感到十分徬徨，幸得葵涌幼兒園的取錄，讓我鬆一口氣。

後來遇到疫情，面對停課，作為母親，當時正為照顧孩子和工作感到身心俱疲。幸運地，幼兒園的老師每週均會致電跟進孩子的學習進度，更會詢問我的情況或需要，讓我感到被關懷扶持，令我更有力向前。幸好其後復課，孩子們可以如常上學，參與各項活動，體驗校園的愉快生活。

四年的幼兒園時光快將完結，衷心感謝校長、主任、一眾老師和工友姐姐們一直以來用心照顧孩子，讓他們有愉快的幼兒園生涯，以正面態度面對升小學的挑戰。

Mrs. Li, Parent of Yeuk Sum, Yuek Kiu and Hong Kiu, Kwai Chung Nursery

All three of my children attend Kwai Chung Nursery. Time flies; the memories of their first day of school are still vivid. I remember that our family had just moved into the district, both my husband and I have to work, and we had a young daughter to care for. We felt quite lost while arranging school for our twins, I was relieved until they were accepted into the Kwai Chung Nursery.

During the pandemic, I felt physically and mentally drained from readjusting my children's daily habits and managing my work amid school suspensions. Luckily, the teachers called weekly to follow up on the children's learning progress and inquired about my situation and needs, making me feel cared for and supported, which gave me the strength to move forward. Fortunately, classes resumed afterward, and the children could go to school as usual, participate in various activities, and enjoy a happy campus life.

As their four years in Nursery come to an end, I sincerely thank Principal and all teachers and staff for their dedicated care for the children, ensuring they have a joyful school life and equipping them to face the challenges of moving on to primary school with a positive attitude.

李太一家
Mrs. Li's family

同心牽家長 陳太

三、四年前經朋友介紹認識了同心牽，帶著兩個兒子參加了大大小小的活動，包括嘉利凡事皆可能計劃、課餘托管班及同心親子義工隊，讓兩個生於低收入家庭的孩子體驗到不同的活動，例如獨木舟、海洋公園水上樂園、香港迪士尼樂園、挪亞方舟主題公園等。最令我印象深刻的是兩個兒子的成長，他們的自理能力本較弱，卻漸漸變得主動，更懂得關心他人。

我是一名新來港的家庭主婦，讀書少，剛來港時感到迷惘和無力，還未認識同心牽時只能帶兒子到附近公園玩耍，也未能協助兒子解決學習上的困難，幸好有同心牽的課餘托管班，經驗豐富的導師悉心教導，幫助他們適應，跟上學習進度。

大半年前，因照顧家庭的壓力，我開始失眠、情緒低落，胃口變差，我開始變得沈默寡言，也不想外出。同心牽的社工會主動透過電話、Whatsapp、家訪關心我的狀況，甚至陪我到不同的地方走走、做瑜伽、教我放鬆心情，我更藉著參與同心義工隊認識了不同街坊，建立互助網絡，給予我溫暖和快樂。

與兒子參與嘉利凡事皆可能計劃
Taking two sons to join "Karrie Nothing is Impossible" Program

Mrs. Chan, Parent of Heart Link

About three to four years ago, a friend of mine introduced me to Hear Link, and I began taking my two sons to various activities, including the "Karrie Nothing is Impossible" Program, after-school care, and the Parent-Child Volunteer Team. These experiences allowed my two children, who come from a low-income family, to participate in different activities such as canoeing, the Water World at Ocean Park, Hong Kong Disneyland, and Noah's Ark Theme Park. What impresses me most is the growth of my two sons; they initially struggled with self-care skills but have gradually become more proactive and caring towards others.

As a new-arrival housewife in Hong Kong with limited education, I felt lost and overwhelmed when I first arrived. Before I became acquainted with Hearlink, I could only take my sons to nearby parks for leisure and was unable to assist them with their learning difficulties. I feel so fortunate to have discovered Heart Link and to have access to the after-school care services. With the help of experienced tutors, my children have been able to adapt and keep up with their studies.

Half year ago, due to the pressures of caring for my family, I began to experience insomnia, low mood, and a loss of appetite. I became withdrawn and hesitant to go out. The social workers from Heart Link proactively reached out to check on my well-being through phone calls, WhatsApp messages, and home visits. They even accompanied me on walks, to yoga classes, and taught me relaxation techniques. Through my participation in the Volunteer Team, I met various neighbors and built a support network that has brought me warmth and happiness.

「樂樂」「遙遙」助養計劃

“Lok-lok” & “Yiu-yiu” Sponsorship Scheme

推廣短片以幫助兒童發掘無限可能為主題，邀請聖基道兒童參與拍攝，並配合線上及線下的廣泛宣傳，呼籲公眾透過捐款成為助養人。

舊生陳觀照及助養人蘇曉丹獲邀分享在聖基道的成長經歷及捐助本院的緣由，讓公眾了解本院服務及對兒童的幫助，令募捐信息更具說服力。

The Home's children were invited to participate in the shooting of the Scheme's promotional video to showcase their infinite potential. The sponsorship appeal video was widely publicized in both online and offline channels.

The Home's old boy Tommy Chan and a sponsor Danny So were invited to share the growth experience at the Home and the reason to support the Home respectively. This allows the public to better understand how children were benefited from our services and makes the fundraising message more persuasive.

感謝崇光百貨持續協助推廣助養計劃

Thanks for SOGO's continued support to promote the Scheme

助養人蘇曉丹與太太相信捐款能夠幫助聖基道兒童
Sponsor Danny So and her wife believed that the donations will benefit the Home's children

舊生陳觀照的分享在社交平台廣受歡迎
Sharing of the old boy Tommy was well-received on social media platforms

助養人活動 Donor Gathering

為促進助養人與聖基道兒童的溝通，了解本院服務，去年度分別舉辦兩次助養人活動，包括同遊南丫島漁民文化村及烏溪沙渡頭灣清潔沙灘，合共近200人參與，共享快樂時光。

To improve communications between sponsors and the Home's children, two donor functions were organized last year. A trip to the Lamma Fisher Folk and Wu Kai Sha To Tau Wan were held respectively, with around 200 participants in total to share the joy together.

助養人與本院兒童為環境出一分力
Donors and children of the Home played a part in environmental protection

體驗漁民文化

聖基道愛心朱古力義賣 Love Chocolate Charity Sale

本年義賣邀得本地著名插畫師 Chocolate Rain 合作，推出兩款慈善朱古力禮盒，全部售罄。

感謝各界友好的支持，捐贈超過 2,000 盒朱古力禮盒，惠及聖基道兒童及其他社福機構，同享祝福。

We were honoured to collaborate with Chocolate Rain, a local renowned artist, to launch 2 sets of charity chocolate gift boxes. All were sold out.

More than 2,000 chocolate gift boxes were donated to the children of the Home as well as other charities to share the joy and love.

小小助養人計劃 Little Sponsor Scheme

過往一年，本院繼續有愛心大使兼助養人鍾嘉欣支持，鼓勵家長以孩子名義成為助養人，讓愛傳承。

本院有幸邀得香港海洋公園合辦慈善親子瑜伽活動，在星級導師「瑜伽世界冠軍」魏秋琪小姐指導下，一同放鬆身心，享受親子互動。

In the past year, the Home continued to have Linda Chung, our Love ambassador cum sponsor to support the scheme, encouraging donors to spread love by making donations in the name of their children.

In September 2023, we were honored to co-organize a Charity Parent-child Yoga Workshop with Ocean Park. With the guidance of Stefanie Ngai, the world yoga champion, participants had a quality bonding time relaxing together.

鍾嘉欣呼籲支持
Linda Chung called for support

愛心祝福暖童心 Love Blessing Campaign

過去一年，本院收到逾1,000張來自助養人的祝願卡及150萬元善款，讓本院兒童在節日感受愛與關懷。善款已用於為兒童購買聖誕禮物、舉行聖誕派對、購買營養健康食品、選購新衣新鞋、新年利是、新春團年及開年飯，衷心感謝各位支持，於佳節為兒童送暖！

We are pleased to receive over 1,000 blessing cards and \$1.5 million of donations from sponsors during the festive season. Funds were spent on purchasing gifts, nutritious food, new clothes and shoes, giving red packets, as well as organizing Christmas parties and Lunar New Year reunion dinners to bring warmth to the Home's children. Sincere thanks to everyone for the support in bringing warmth to children during the festive season!

謝謝祝福
Thanks for the blessings

獲聯合新零售（香港）有限公司全力支持，在旗下28間書店義賣由本院兒童設計的心意卡。

With the support of SUP Retail (Hong Kong) Limited, a charity sale of greeting cards designed by the children at its 28 bookstores was organized.

合作夥伴 Partnership

合作及專業伙伴聯誼午宴 Partners' Luncheon

為答謝伙伴的支持，本院在疫情後再次舉行《合作及專業伙伴聯誼午宴》，與30間機構約50名伙伴聚餐聯誼，伙伴亦探訪三個服務單位，包括柴灣兒童之家、灣仔幼兒園及灣仔健苗軒，讓他們更深入了解聖基道各項服務運作。

To express our gratitude to our corporate and professional partners for their support, we organized a "Partner's Luncheon" again after the COVID19 pandemic, gathering 50 partners from 30 organizations. The partners also visited three service units, namely, Chai Wan Small Group Home, Wan Chai Nursery and Kidsmind to learn more about the services provided by St. Christopher's Home.

商界展關懷

Caring Company

院方於年度內成功提名19間公司參與「商界展關懷」嘉許計劃。有關名單請參閱67頁。

19 corporate partners were successfully nominated as "Caring Company" in the past year. Please refer to page 67 for the list.

商界伙伴到訪服務單位
Partners visited service units

譚瑪利助學金

Mary Tam Fund

踏入十周年，院方特別舉辦「譚瑪利助學金——十周年感恩分享會」，與受惠的青年相聚分享，數算恩典。本年度共9位青年獲頒助學金，更與嘉賓分享感受及表達謝意。

To celebrate the 10th anniversary of the Fund, a Thanksgiving Gathering was held to share and count the blessings with the awardees of the scholarships. 9 awardees received the cheque and shared their words of thanks and experience in the event.

一同數算恩典
Counting the blessings together

傳媒報導

Media Relations

本院於年度內共錄得21次傳媒報導，全部正面地推廣本院服務。

本院總幹事麥潤芸多次獲邀就《強制舉報虐待兒童條例草案》發表意見，推動完善相關法例和指引，與業界攜手保障兒童利益。

21 media coverages, positively promoted the image of the Home, were recorded this years.

Ms. Silvia Mak, Chief Executive was invited to share her views on the "Mandatory Reporting of Child Abuse Bill" on behalf of the sector, to further enhance the relevant legislation and guidelines to safeguard the best interests of children.

麥潤芸獲NOW新聞台邀請接受訪問
Ms. Silvia Mak was interviewed by NOW TV

舊生陳觀照故事獲報導
Old Boy Tommy's story was covered in the media

義工服務

Volunteer Service

企業義工與兒童慶祝聖誕
Christmas celebration with corporate volunteers

年度內共有239名個人義工服務本院，服務時數達1,553小時。另外，69個團體共提供153次服務，服務時數436小時。

239 individuals volunteered during the year, contributing up to 1,553 hours; meanwhile, 69 groups served 153 times for a total of 436 service hours.
