主席之言

Chairman's Remarks

「兒童是建構社會未來的基石！」聖基道一直堅守這份信念，並以基督的愛為根基，為兒童奠定成長的穩固基礎，從而建構社會未來的希望。

踏入2025年，聖基道迎來成立90周年，這份信念亦成為本院周年誌慶的核心指引。是故，本院90周年以「童·築未來」為口號，並以此設計標誌，展現出相關意念：由兩個色彩繽紛「90」數字勾勒出「家」的構圖，象徵聖基道90年來以傳承基督的愛，為兒童提供安穩的家為服務根基。「9」向外伸延，標誌本院按服務需要，面向社區，擴展成一所多元化的兒童及青少年社會服務機構，同時為兒童提供教育及日間照顧服務；「9」亦連接一雙孩童邁步向前的腳印，貫徹本院與兒童同行的初心，致力助他們構築繽紛未來及活出豐盛人生。

在上帝的引領下，本院董事會及全體員工秉持以兒童及青少年為本的信念，於2024/25年度深化推行「A·B·C」策略方向，分別為：Advocacy for Policy Changes (政策倡議)、Service Betterment (追求卓越) 及 Service Consolidation (鞏固服務)。本院積極倡議適切的兒童及青少年政策與服務，並持續優化現有服務及開展多項新服務，致力提升兒童的整體福祉。

“Children are the cornerstone of society's future!” This founding belief has guided S.K.H. St. Christopher's Home throughout its journey. Rooted in the love of Christ, the Home has laid a solid foundation for children's growth, thereby contributing to the future of society.

As we entered 2025 which marks the 90th anniversary of the Home, this belief has come to shape the direction of our celebratory initiatives. Our 90th-anniversary emblem design which features two vibrant “90” numerals forming the shape of a “home”, symbolizing the Home's 90-year commitment to providing a safe and caring environment for children, rooted in Christ's love. The “9” extends outward, representing our growth into a diverse social service organization that supports children and youth while offering education and day care services. It also connects to a pair of footprints, signifying our dedication to walking alongside children, helping them build a bright future and live a life of fullness — perfectly reflecting our 90th-anniversary slogan: Building a Bright Future for Children.

Guided by God's wisdom, our Council and staff remain steadfast in our child & youth focused mission. In 2024/25, we deepened our implementation of the “ABC” strategic directions: Advocacy for Policy Changes, Service Betterment as well as Service Consolidation. These strategies marked new milestones in our efforts to maximize children's well-being. We actively advocated for appropriate policies and services, continuously improved service quality, and launched new initiatives.

▲ 與兒童台上共舞 Dance with children on the stage

在政策倡議方面，本院持續關注《強制舉報虐待兒童條例草案》，並積極向立法會提交意見。欣見政府在最終刊憲的《條例》中接納並回應業界多項建議。本院將密切留意《條例》的推展情況，並視乎需要再次舉辦研討會，為保護兒童出力。此外，經董事會批准，本院將開展「兒童友善社區」及「兒童之家服務模式」兩項研究，以更精準回應不同層面兒童的需要。

在服務優化及規範方面，本院「內部審計委員會」於去年開始運作，並直接向董事會匯報。同時增聘內部審計總監，專責審核各服務單位及部門，有助加強內部監控，鞏固服務質素及相關規範，為機構持續擴展奠定穩固基礎。

儘管面對重重挑戰，本院仍持續優化及拓展服務，並新增多項服務以回應兒童及青少年的需要。首先，膠著多時的幼兒中心工程取得重大進展，不但完成裝修、成功取得牌照，更於2024年10月正式投入服務，為0至3歲幼兒提供優質教顧服務，減輕家長照顧壓力。此外，本院亦成功透過服務競投，獲社會福利署委任於灣仔區營辦「鄰里支援幼兒照顧計劃」，以回應家長對日間照顧的需求，並藉此拓展服務版圖。

As regards policy advocacy, we paid close attention to the Mandatory Reporting of Child Abuse Bill and submitted our views to the Legislative Council. We are pleased that many of our suggestions were reflected in the final gazetted ordinance. We will continue to track its implementation and may organize another forum to further support child protection. Additionally, with the Council's approval, we will conduct two research projects — Child-friendly Communities and Small Group Home Service Model Review — to better respond to the diverse needs of children.

With respect to service betterment and regulation, our Internal Audit Committee began operations last year, reporting directly to the Council. We have also appointed a Director of Internal Audit, responsible for auditing service units and departments. This measure strengthens internal controls and governance, laying a solid foundation for sustainable growth.

Despite challenges, the Home has continued to improve and broaden services, and numerous initiatives have been developed to cater for the children and youngsters' needs. Significant progress was made in breaking the stalemate over the renovation of Child Care Centre; after completing refurbishment and obtaining licence, the Centre opened its doors in October 2024 to provide education-and-care service for children aged 0–3, easing the burden on parents. Furthermore, the Home successfully bid for the Neighbourhood Support Child Care Project and have been appointed by the Social Welfare Department as an operator in Wan Chai, expanding our reach to meet parents' demand for daytime care.

本院一直致力促進兒童福祉，而員工正是實踐此理念的重要夥伴。因此，本院視員工為寶貴資產，在董事會支持下，持續關注員工福祉，致力營造友善的工作環境。本院深深感恩，憑藉在人力資源管理方面的卓越表現，榮獲香港人力資源管理學會「卓越人力資源獎2024/25」非牟利組織類別的「員工福祉獎」銀獎，肯定本院在關顧員工身心靈健康及建立良好工作環境方面的努力。

過去一年，面對政府削減撥款等營運挑戰，本院仍堅守「投資兒童，不是慈善，而是傳承」的信念前行。本人滿懷感恩，感謝上帝的恩典，以及董事會全人、捐助者、合作夥伴、義工、管理團隊及所有員工的支持與努力，使本院突破限制，持續發展，幫助更多兒童在關愛的環境中成長、發展潛能、活出豐盛人生。

展望未來，聖基道兒童院將繼續向前邁進，期望在前人辛勤耕耘及上帝的眷顧下，忠於使命，與有需要的兒童攜手同行，乘風破浪，勇敢迎接挑戰，成為社會的光與鹽。

Chairman

Our staff are vital partners in the journey of enhancing children's well-being. With the Council's support, we continue to prioritize staff welfare and foster a caring workplace. We are grateful to have received the Silver Award in the Employee Wellness category (NGO sector) at the HR Excellence Awards 2024/25, organized by the Hong Kong Institute of Human Resource Management. This honour recognizes the Home's excellence in personnel management and acknowledges our efforts in caring for staff's physical, mental, and spiritual well-being and in the creation of a pleasant work environment.

Over the past year, we faced operational challenges due to subvention cut. Yet, we held firm to our belief that "investing in children is not charity — it is legacy." Along the journey, I am deeply grateful for God's grace and the unwavering support of our Council members, donors, partners, volunteers, management team, and staff. Their dedication enabled us to overcome limitations and continue expanding our services, helping more children grow in a nurturing environment, develop their potential, and live a life of fullness.

Looking ahead, St. Christopher's Home will continue to move forward. With the foundation laid by our predecessors and God's blessings, we remain committed to our mission—walking hand in hand with children in need, bravely facing challenges, and becoming the light and salt of our community.

總幹事報告

Chief Executive's Report

「同行聖基道，童築未來每一步！」是每一位聖基道人的共同願景。

作為本港提供最多兒童之家服務名額的非牟利機構，聖基道一直致力為兒童及青少年營造一個充滿關愛的成長環境，啟發潛能，活出豐盛人生。過去一年，我們積極回應社會不斷轉變的需求，除兒童之家服務外，「童築未來每一步」的信念亦延伸至寄養服務、幼兒教育、臨床心理支援、特殊教育需要服務、家庭支援及青年共居項目等多元化兒童為本的社會服務，充分體現我們對兒童福祉的堅定承諾。

作為一個以使命為本的機構，我們致力傳承基督的愛，成為追求卓越的社會服務機構，並以提供優質服務及倡議兒童友善政策為核心。鑑於《強制舉報虐兒條例》將於2026年1月生效，我們已積極草擬相關政策，並為員工提供培訓，加強保護兒童的專業知識，履行守護者的責任。

在2024/25年度，本院繼續按住宿及非住宿兩大服務支柱推展工作：

住宿服務

兒童之家是本院的核心服務。去年，我們獲獎券基金撥款，持續推行環境改善工程，提升兒童居住的安全與舒適度。另一方面，透過靈活調撥資源及社會福利署的額外撥款，本院增聘人手，加強對兒童的照顧及應對突發事故的能力。此外，透過賽馬會「凝伙」計劃撥款，本院得以設立「軌跡發展經理」職位，協助制定兒童個人發展計劃，連結社區資源，建立長遠支援網絡。

“Hand in Hand with St. Christopher's Home, Lighting the Way for Every Child's Tomorrow” is a shared value embraced by every member of our Home.

As the largest non-profit NGO providing the most numbers of Small Group Home service capacity in Hong Kong, St. Christopher's Home is committed to create and sustain a caring environment for children and youth to grow, to develop potentials and to live a life of fullness. Over the past year, we have responded proactively to the evolving needs of society. Beyond our core residential services, our belief in “Lighting the Way for Every Child's Tomorrow” has expanded into foster care, early childhood education, clinical psychological support, special education needs services, family support, and youth co-living initiatives — each reflecting our unwavering commitment to child well-being.

As a mission-driven organization, we are guided by the love of Christ and strive for excellence in all we do. Our focus remains on delivering high-quality services and advocating for child-friendly policies. In preparation for the implementation of the Mandatory Reporting of Child Abuse Ordinance in January 2026, we have proactively constructed internal policies and provided staff training to strengthen professional knowledge in child protection and fulfill our role as Child Protector.

In 2024/25, our work continued to be anchored in two major service pillars: residential and non-residential services.

Residential Services

Small Group Homes remain the cornerstone of our services. With funding support from the Lotteries Fund, we have continued to improve the living environment to enhance safety and comfort for children. Through strategic resource allocation and additional funding from the Social Welfare Department, we have increased manpower to strengthen care to children and emergency response capabilities. Additionally, with support from The Hong Kong Jockey Club Charities Trust on the JC Project Bonfire, we established the role of Trajectory Development Manager to provide guidance on the development of Individualized Development Plans,

寄養服務方面，我們繼續提供45個常規及25個緊急寄養名額，並正與社會福利署及賽馬會「凝伙」計劃商討，在下一年度增加服務名額及優化服務的可能性。

在員工的愛心及付出之下，本院欣見本年度，兒童之家、寄養服務及寄養服務（緊急宿位）的服務使用者在年度內的滿意程度調查中，其滿意比率分別錄得99%（兒童之家兒童）、98%（兒童之家兒童之原生家長）、100%（寄養兒童及其原生家長），成績令人鼓舞之餘，亦感謝員工的用心與努力。

「薈舍」青年共居計劃於銅鑼灣及九龍灣增設新單位，為離院青年提供安全、穩定及可負擔的住宿，促進其個人發展。我們正積極倡議政府加強支援，並尋求擴展青年共居計劃，以回應離院青年對過渡性房屋及相關支援的迫切需求。

非住宿服務

本年度非住宿服務亦有多項重要發展，包括位於順利邨的幼兒中心愛幼坊在2024年10月正式投入服務，院方又成功投得社會福利署的「鄰里支援幼兒照顧計劃」營運項目。

健苗軒持續推行入校外展策略，提升財政可持續性；同心牽則獲公益金等多個基金支持，為來自基層及新來港家庭提供支援。

此外，我們亦持續與香港聖公會福利協會攜手推進大埔T77地段項目，為未來擴充服務奠定基礎。

development of Individualized Development Plans, connects them with community opportunities and resources, and helps establish long-term support networks for a variety of enriching developmental experiences.

In foster care, we maintained 45 regular and 25 emergency placements, and are currently in discussions with the Social Welfare Department and the JC Project Bonfire to explore service expansion and enhancement in the coming year.

Thanks to the dedication of our staff, satisfaction surveys in 2024/25 showed encouraging results: we received encouraging feedback from service users of Small Group Homes, Foster Care Service and Foster Care Service (Emergency) through the annual services satisfaction survey. We are delighted to share that 99% of children in Small Group Homes, 98% of natural parents of children in Small Group Homes and 100% of children in Foster Care and their natural parents reported satisfaction with our services. These results are a testament to the care and commitment of our team.

Our youth co-living project, “T-Lodge”, expanded with new units in Causeway Bay and Kowloon Bay, offering safe, stable, and affordable transitional housing for young residential care leavers. We continue to advocate for increased government support in aged out youth and aim to expand “T-Lodge” service to meet the urgent housing and support needs of these youth.

Non-Residential Services

This year saw significant developments in our non-residential services. Our Child Care Centre, Kiddie Square, in Shun Lee Estate, commenced operation in October 2024. The Home also successfully awarded of contract to operate the Neighbourhood Support Child Care Project from the Social Welfare Department.

Our Kidsmind continued its outreach strategy to schools, enhancing financial sustainability. Heart Link received ongoing support from various funds, including the Community Chest, to support grassroots and newly arrived families.

In the meanwhile, the Home also continued our collaboration with the Hong Kong Sheng Kung Hui Welfare Council to prepare for the development of the Lot T77 site in Tai Po, laying the groundwork for future service expansion.

90周年慶祝活動

聖基道於2025年迎來90周年，董事會已通過舉辦一系列具意義及有助建立機構形象的慶祝活動。首項活動為3月1日於荷里活廣場舉行的「童·築未來」BB爬行及運送禮物大賽暨90周年誌慶啟動禮，反應熱烈，深受好評。來年將陸續舉辦多項具意義的慶祝活動，並透過活動進一步推動倡議工作。

服務挑戰

本年度本院未獲安排進行賣旗籌款，加上政府削減撥款，面對雙重財務挑戰，幸得員工加倍努力及捐助者鼎力支持，我們透過「樂樂」「遙遙」助養計劃、「愛心朱古力義賣」及其他籌款項目等，成功籌得超過港幣1,660萬元，支援本院服務營運及發展，協助兒童面對逆境，突破界限，活出豐盛人生。

展望未來

對聖基道而言，我們深信，每一位兒童都值得擁有一個充滿愛與希望的成長旅程。我們不僅是守護者，更是同行者——在他們人生的每一步，均與他們並肩前行。面對社會的轉變與挑戰，我們將繼續以信念為舵、以愛為帆，堅定不移地推動兒童為本的服務，守護他們的福祉，啟發他們的潛能。

90年的歷程，是一段見證愛與承擔的故事；未來的每一步，讓我們繼續攜手同行，童築未來，共創更美好的明天。

90th Anniversary Celebrations

The Home will celebrate its 90th anniversary in 2025. The Council has approved a series of meaningful and image-building events, kicking off with the highly popular "Building a Bright Future for Children" BB Crawling and Gift Delivering Competition cum the Home's 90th Anniversary Celebration Launching Ceremony on March 1 at Hollywood Plaza. More celebratory initiatives are planned for the coming year, which will also serve to strengthen our advocacy efforts.

Challenges

Though not awarded to organize a flag day this year and facing subvention cut, we successfully raised over HKD 16.6 million through initiatives such as the "Lok-lok" & "Yiu-yiu" Sponsorship Scheme and Love Chocolate Charity Sale with great support from donors and extra effort of our staff. These funds support our operations and development, helping children overcome adversity, break through limitations, and live enriched lives.

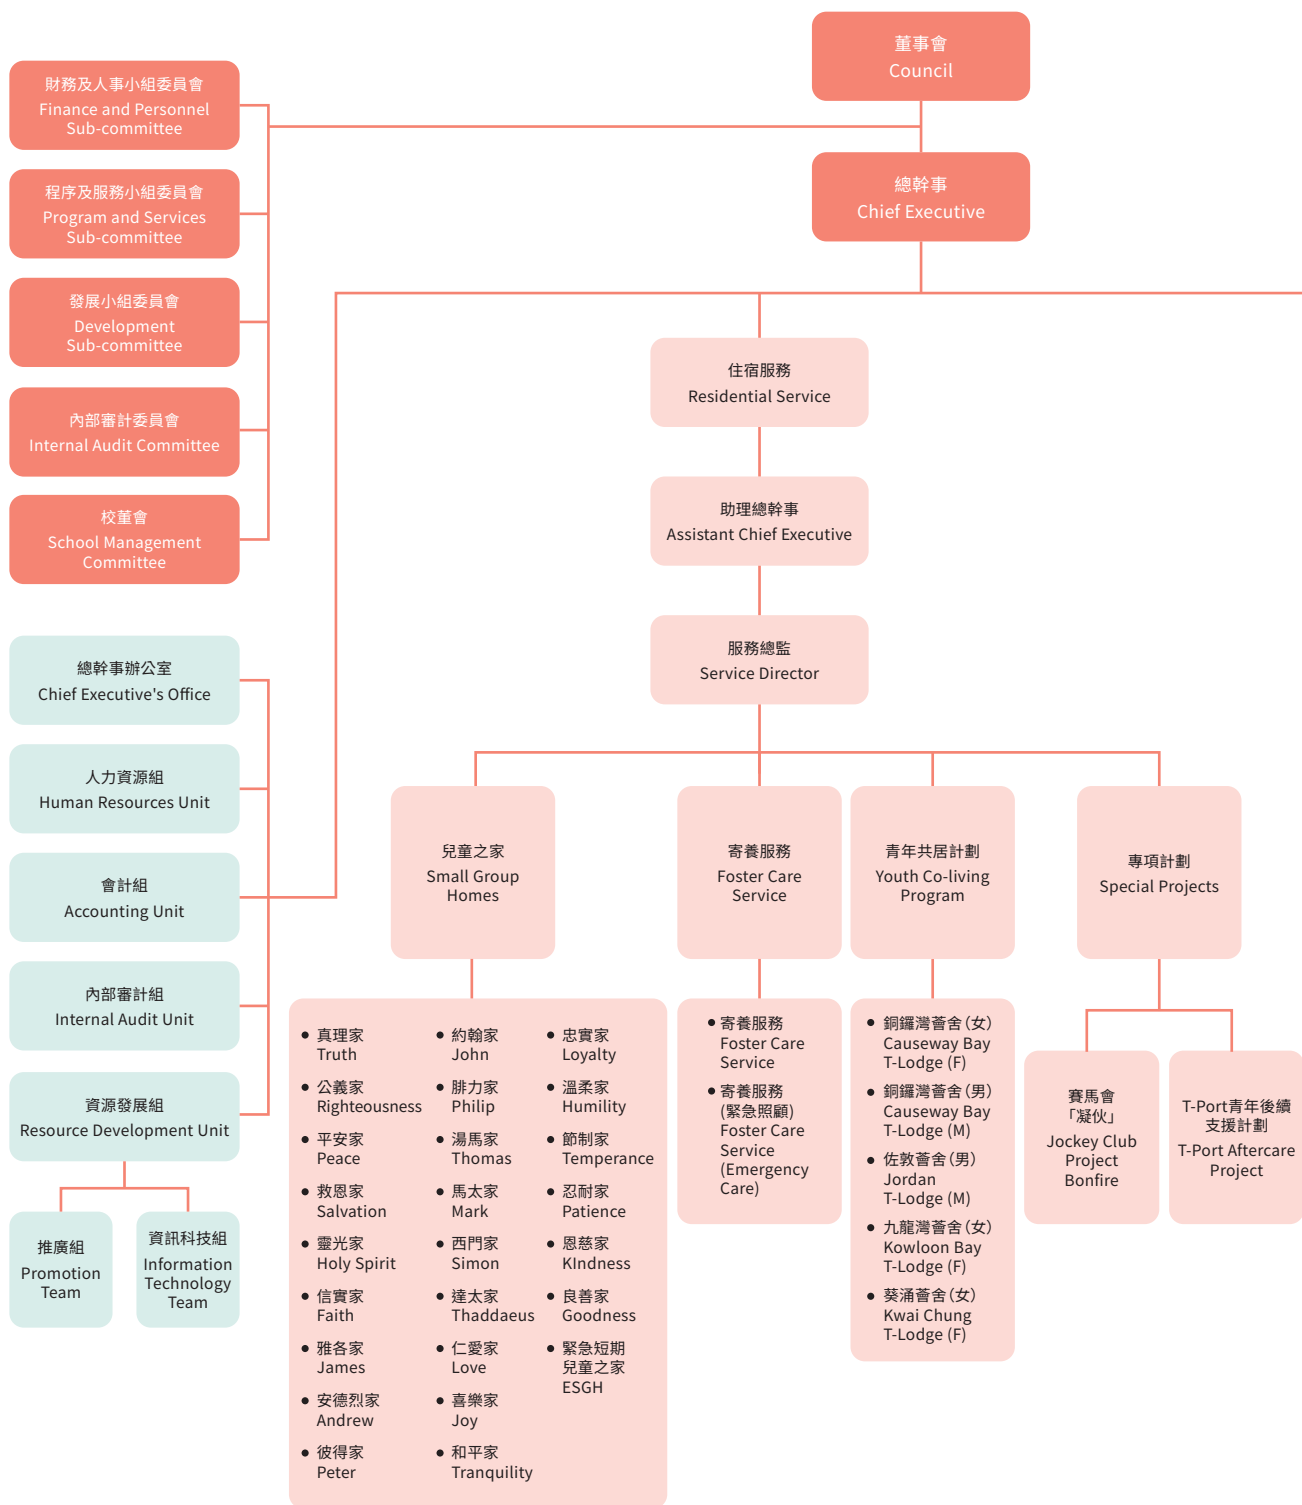

Looking Ahead

At St. Christopher's Home, we firmly believe that every child deserves a journey filled with love and hope. We are not only protectors but companions — walking alongside them every step of the way. In the face of societal changes and challenges, we will continue to steer with conviction and sail with love, steadfast in our mission to deliver child-centred services, safeguard their well-being, and inspire their potential.

Ninety years of history have borne witness to our love and commitment. As we look to the future, let us continue walking together, building hope, and creating a brighter tomorrow.

《強制舉報虐待兒童條例草案》

Mandatory Reporting of Child Abuse Bill

01

聖基道繼2024年1月舉行跨界別的《強制舉報虐待兒童條例草案》研討會，在業界獲得廣泛回響後，本院總幹事麥潤芸女士在同年5月接受NOW新聞台「時事全方位」訪問，表示欣見政府回應業界關注，就《強制舉報虐待兒童條例草案》提出修正案，加入新免責辯護條文，以及建議引入「兩級制」刑罰制度等，讓兒童能較安心向專業人員表達受虐經驗外，亦讓業界人士增取時間，思考兒童最佳福祉的方案，同時可紓緩前線工作者的部分憂慮。

Following the cross-sectoral seminar on the Mandatory Reporting of Child Abuse Bill in January 2024, which drew wide attention in the field, in an interview with NOW News in May, Ms. Silvia Mak, the Home's Chief Executive, expressed our appreciation to the government's response to sector concerns by proposing amendments to add a new defence of reasonable excuse for specified professionals not reporting, and a two-tier penalty system. These changes help children feel safer to share with professionals who will have more time to consider the child's best interests, and ease some frontline concerns.

就「資源效率優化計劃」發表意見

Response towards "Productivity Enhancement Program"

02

政府強化版「資源效率優化計劃」需削減社福機構撥款，至2027/28年度，聖基道需累計削減7%撥款。本院總幹事麥潤芸女士對此在媒體上回應，向公眾解說本院面對財務挑戰的應對措施，並努力確保本院服務質素不受影響。麥女士期望政府考慮本院提出的紓緩方案，同時呼籲社會各界繼續支持本院，共渡時艱！

The government has announced a stepping up "Productivity Enhancement Program" that the subvention of social welfare organizations has to be cut. The Home has been suffering from a cumulative 7% subvention reduction till the financial year 2027/28. Ms. Silvia Mak, the Home's Chief Executive, has addressed to financial challenges with our coping measures, while striving ensure that the quality of our services remains unaffected. Ms. Mak hopes that the government will consider our suggestions, and calls for continued support from all sectors of society to overcome these difficult times together!

系統化檢視及倡議離院青年支援

Systematic Review and Advocacy for Aftercare Support

03

年內，本院就「舊舍」青年共居計劃進行中期檢討，透過量性和質性問卷及聚焦小組等渠道收集數據及意見，本院除確認計劃之成效及需要外，亦檢視共居計劃以外的離院支援服務需要，積極向業界與政府倡議加強離院青年支援，並於2025年1月推出T-Port青年後續支援計劃，為離開本院兒童之家及寄養服務之青年提供持續協助。在房屋問題之外，加強支援他們應對各項挑戰、培養自立能力，並順利過渡至成人獨立生活。

During the year, the Home conducted a mid-term review of the "T-Lodge" Youth Co-living Program by collecting views through quantitative and qualitative survey and focus groups. Beyond confirming the program's effectiveness and needs, the Home identified wider service gaps for aftercare support. We actively advocated with the sector and government to enhance support, and in January 2025 launched the T-Port Aftercare Project to provide ongoing assistance for leavers of our Small Group Homes and Foster Care Service. In addition to housing, the project empowers them to tackle challenges, build self-reliance and transition smoothly to independent adulthood.

離院青年的精神健康亦是我們的關注焦點。臨床心理輔導服務為開展三年的「荒原清泉」離院青少年情緒支援進行成效研究，採用情緒自評量表（DASS-21）發現，在14位參與心理評估、轉介及支援服務的對象中，有10人出現中度或嚴重之抑鬱癥狀，11人出現中度或嚴重之焦慮癥狀，以及10人出現中度或嚴重之壓力癥狀，反映受助者需要進一步之心理評估及治療，及參與者對心理支援之需要性。統計數據結果亦顯示，服務使用者在使用本院臨床心理輔導服務後，整體精神健康出現顯著改善，尤其是抑鬱症狀和壓力反應方面，表示本院服務能有效支援青少年的情緒及應付離院後的心理壓力。本院亦因應研究結果及服務對象的需要，透過捐助繼續延續這項服務。

Youth mental health is also a priority. The Home's Clinical Psychological Service evaluated the effectiveness of the three-year “Leave Home Project” emotional support program for discharged youth, by employing the Depression Anxiety Stress Scales 21. Of the 14 service users evaluated, 10 experienced moderate or severe depressive symptoms, 11 experienced moderate or severe anxiety symptoms, and 10 experienced moderate or severe stress symptoms, indicating the need for further psychological assessment and treatment, as well as the participants' need for psychological support. The statistical results also showed that after using the service, the overall mental health of the service users improved significantly, especially in depressive symptoms and stress reactions, indicating that the service is effective in supporting adolescents' emotions and coping with post-discharge psychological stress. The Home thus continues to provide services through donations in response to the research results and the needs of the service users.

「童行有愛」——幼稚園駐校社工服務積極倡議在學前教育階段設立常規社工服務，推動政策層面對幼兒福祉的重視。營運五年後，這項先導計劃的成效評估顯示，社工能有效及早識別高危家庭，並介入支援，顯著降低家長壓力指數，預防虐兒危機。此成果印證學前社工服務在兒童保護及家庭支援上的重要性，提供實證基礎，促進跨部門協作，構建更完善的幼兒支援網絡。本服務的合約已於2024年7月31日屆滿。

"To Kids With Love" - Social Work Service for Pre-primary Institutions actively advocated for regular school social work support at the pre-primary stage to elevate policy attention to early childhood well being. After five years, the evaluation of this pilot project showed that social workers could effectively identify high risk families early and provide timely intervention which helped significantly reduce parental stress and prevent child abuse. These outcomes underscore the importance of pre-primary social work in child protection and family support, offer evidence to the policy-makers, and foster cross sector collaboration to build a stronger early childhood support network. Launching a "Child-friendly Public Transport" Study

The Home began partnering with a local university to develop a "Child-friendly Public Transport" Study to gather the needs and suggestions of children and parents in Hong Kong, fostering transport design that considers children's needs. We will capture children's views and experiences through games, drawing, and ride along observations, putting Article 12 of the UN Convention on the Rights into practice by enabling their participation in public policy. Findings will be released next year as a means to advocate for child-friendly transport policies and help build a safe, inclusive and child rights respecting community in Hong Kong.

雙線發展日間幼兒照顧服務

Dual-track Development of Day Child Care Services

01

本院年內開展兩個新單位提供日間幼兒照顧服務，滿足家長需兼顧家庭經濟和育兒的需要：健苗軒鄰里支援幼兒照顧計劃於2024年9月在灣仔投入服務，半年為32名兒童提供共2,234小時家居照顧及中心托管服務，97%家長滿意這項新服務，反映計劃能紓緩他們的育兒壓力，提升社區互助精神，減少兒童獨留家中風險。愛幼坊為九龍東首間獨立資助幼兒中心，「教顧合一」的理念，為0至3歲幼兒提供安全、關愛與啟發並重的學習環境；中心試運以來深受歡迎，近97%服務使用者為雙職家長，當中近半數人有使用延長時間服務，並透過親子活動、家長會和開放日等活動加強家校合作。

The Home launched two new units this year to provide child day care services for children, helping parents balance work and family: Kidsmind Neighbourhood Support Child Care Project (NSCCP) commenced in Wan Chai in September 2024, delivering 2,234 hours of home-based care and centre-based care

to 32 children over six months. Survey showed that 97% parents were satisfied with the service, indicating reduced caregiving stress, stronger community mutual support, and lower risks of children being left unattended at home. Kiddie Square, the first aided standalone child care centre in Kowloon East, upholds “education-and-care” approach for children aged 0 to 3, offering a safe, nurturing and stimulating environment. Since trial operations, it has been well received: nearly 97% of users are dual-working parents, and about half of them use Extended Hours Service. Home-school collaboration is strengthened through parent-child activities, parent meetings and open days.

Service Enhancement of Child Care Centre

02

本院自2025年3月1日起獲香港賽馬會慈善信託基金資助，於愛幼坊推行為期四年的「賽馬會幼兒喜步計劃2.0」，以加強幼兒中心服務，從三大範疇推動幼兒服務的教顧實踐：(一)專業能力：以嬰兒學習環境評量表及醫護實踐的專業發展框架為基礎，強化幼兒工作員的專業知識與技能；(二)基礎設施提升：翻新設施和設備升級，營造更切合嬰幼兒發展需要的學習與成長環境；(三)管理系統強化：為中心建立電腦化管理系統，將服務資料數碼化，提升服務分析能力及支援未來規劃。

本院期望透過此計劃能進一步教育幼兒教育和照顧的整體質素，為幼兒創造更安全、溫馨及具啟發性的成長空間。

▲ 農曆新年特別活動
Lunar New Year celebration activity

With the support from the Hong Kong Jockey Club Charities Trust, Kiddie Square launched the four-year “Jockey Club Bright Start Project 2.0” on March 1, 2025, to strengthen services of child care centre in three areas: (1) Professional capacity: build staff knowledge and skills using the Infant / Toddler Environment Rating Scale and a healthcare-informed professional development framework; (2) Infrastructure enhancement: refurbish premises and upgrade equipment to create developmentally appropriate learning environment; (3) Management system: establish a computerized management system to digitize service data, enhance analytics, and support future planning.

Through this initiative, the Home aims to raise the overall quality of education and care, creating safer, warmer and more inspiring spaces for young children.

提升住宿服務青年的視野

Broaden the Horizons of the Youths in Residential Service

03

為豐富住宿服務青年的生活體驗和視野，本院透過中央青年活動甄選了21名來自不同兒童之家的青少年，組成名為「The First Yes」的籌委小組，在2024年暑假展開為期7日的「台灣奇遇·背包流浪」之旅，行程包括探訪當地兒童住宿服務單位，讓他們從中鍛練策劃和執行能力。2025年初，三名譚瑪利助學金受助離院青年亦獲港匯扶輪社贊助，與社友到台灣交流，並在當地參與義工服務，擴闊眼界，建立網絡關係，更好地裝備他們進入成人階段。

To broaden the life experiences and horizons of the young people in residential service, the Home selected 21 youths from Small Group Homes through the Central Youth Program to form "The First Yes" organizing committee. In summer 2024, they undertook a seven day backpack journey in Taiwan, including visits to local residential childcare agency, strengthening their planning and execution skills. In early 2025, three Mary Tam Fund's awardees, sponsored by the Rotary Club of the HUB Hong Kong, joined an exchange tour in Taiwan, and took part in volunteer service there, expanding their exposure and networks to better prepare for adulthood.

05

本院其中9個兒童之家於2024年9月透過賽馬會「凝伙」計劃撥款，聘用了「軌跡發展經理」與團隊共同以正向軌跡發展框架，為家舍兒童及青少年提供全面且持續的支援。軌跡發展經理會與家舍兒童及青少年制定個人化發展計劃，發掘他們獨特的潛能與優勢，幫助他們連接社區資源，逐步為其正向發展軌跡奠定基礎。

寄養服務方面，社會福利署增撥資源資助3至18歲寄養兒童參與多元課程，支援其學習與全人發展，並培養自信與正向興趣。

In September 2024, the Trajectory Development Manager was employed with funds from JC Project Bonfire for nine Small Group Homes (SGH) to launch the Phase 1 of the Project, applying a positive trajectory framework to provide holistic, continuous support for SGH children and youth. The Manager co-creates individualized development plans with each of the SGH children and youth, identifies their unique strengths and potential, connects them to community resources, and gradually builds the foundation for a positive life trajectory.

For Foster Care Service, Social Welfare Department provided extra resources and subsidies for foster children aged 3 to under 18 to participate in a wide range of programs to support their learning and holistic development, while cultivating self-confidence and positive interests.

獲得善長慷慨支持，本院在年內分別於銅鑼灣及九龍灣開辦兩所新的「薈舍」青年共居計劃單位，以回應離院青年的住屋需要，協助他們建立自立能力。

The Home launched a co-creation initiative alongside our environmental improvement program. A design team entered our Small Group Homes and, through workshop with children and staff, envisioned an ideal home together and listened to the children's voices. Their ideas and needs were translated into concrete design solutions, and environmental upgrades have been completed for three homes. The refreshed spaces not only improve comfort and practicality, through the children's direct participation, but also gain a unique warmth and sense of belonging.

Besides, the Home was supported by a kind landlord to open two new units for "T-Lodge" Youth Co-living Program in Causeway Bay and Kowloon Bay to meet the housing needs of residential service leavers and support their journey toward independence.

參與「內地與香港教師交流及協作計劃」

Participating “Mainland-Hong Kong Teachers Exchange and Collaboration Program”

專業交流有助激發新思維，提升教育質素。過去一年，灣仔幼兒園參加了教育局舉辦之「內地與香港教師交流及協作計劃」，藉此安排內地專家教師定期到訪學校，與本院老師共同備課、觀課及課後回饋，一起探討如何在不同教學主題中有效運用繪本，自然地融入中華文化元素，豐富幼兒的文化體驗。

內地專家教師同時為本院教師安排了一連串的专业培訓。學校課程設計方面亦因應交流成果而得以優化，兒童在課堂中更樂於表達想法與發現，對中華文化的理解與認同亦有所提升。在計劃結束後，灣仔幼兒園更獲教育局邀請，與業界分享參與成果，共同推動幼兒教育的發展，攜手邁向卓越。

Professional exchange stimulates thinking and improves education qualities. Over the past year, Wan Chai Nursery took part in Education Bureau's “Mainland-Hong Kong Teachers Exchange and Collaboration Program,” under which mainland expert teachers made regular visits to co-plan lessons, conduct lesson observations, and provide post-lesson feedback. Together, they explored effective use of picture books across themes to embed Chinese cultural elements and enrich children's cultural experiences.

The mainland expert teachers also delivered a series of trainings for our staff. As a result, children participated more actively in class, expressed ideas more confidently, and strengthened their understanding and appreciation of Chinese culture. Upon completion, Wan Chai Nursery was invited by the Education Bureau to share outcomes with the sector, helping advance early childhood education together.

The Home enhanced the human resources system for staff to apply for leave and launched a self-developed medical benefit online application system, streamlining daily operations and improving accuracy. To meet departmental needs, we also successfully built in-house tools — such as the “Small Group Homes’ Petty Cash Records” app, the “Kidsmind Neighbourhood Support Child Care Project Receipts” app, and e-Appraisal forms for all ranks to improve efficiency and data accuracy. In parallel, we are exploring a new accounting system and enhancing our Human Resources management system to strengthen organizational effectiveness.

「創傷知情」理念之深化、應用及推展

Trauma-informed Care: Deepened understanding, Application and Promotion

01

臨床心理輔導服務繼續以「創傷知情」照護服務概念，本年度開始為8個兒童之家之單位主管進行個案會議，以鞏固個案分析及處理技巧，及進深應用創傷知情概念於住宿服務。臨床心理服務亦為住宿服務提供諮詢，應用創傷知情概念於住宿服務之強化管理流程及同工守則，建立創傷知情管理文化。在過去一年，本院為兒童之家各級員工提供17節培訓，出席人次共405人。

寄養家長訓練方面，本院的臨床心理學家從創傷知情的角度，協助他們了解寄養兒童的情緒及發展需要，輔以社工提供的正向管教指導，使寄養家長理解特殊教育需要孩子的需求，以平衡管教，提升照顧效能。

臨床心理學家亦為愛幼坊教職員同工，提供創傷之情初階培訓，灌輸有關概念，以及了解團隊協作需要，建立團隊正面之育兒觀。

The Home's clinical psychologist provided foster parents with guidance on children's trauma experiences

Clinical Psychological Service continued to adopt a trauma-informed care framework to run case conferences with the service-in-charge of eight Small Group Homes, deepening their understanding and application of this care approach in case management. Additionally, the Service offered consultation on implementing trauma-informed care concepts in children's residential services, including service workflow and staff guidelines. A total of 17 training sessions were provided for all ranks of SGH staff with an attendance of 405 in the reporting year.

For foster parent training, the Home's clinical psychologists, from a trauma-informed perspective, helped them understand foster children's emotional and developmental needs. Complemented by social workers' guidance on positive discipline, this support equips foster parents to balance discipline with sensitivity to the needs of children with special educational needs, improving caregiving effectiveness.

加強照顧者培訓 Enhance Caregiver Training

02

健苗軒鄰里支援幼兒照顧計劃在營運後首7個月，舉辦了兩場基本社區保姆培訓課程，以及邀請了臨床心理學家和註冊護士分別為兩場進階培訓課程擔任講員，為社區保姆學員講解照顧有特殊教育需要兒童的技巧及注意事項。透過兩場基本培訓課程，中心成功招募30名社區人士註冊為社區保姆，當中19人完成進階培訓課程。根據問卷回饋，所有參加者表示課程能使他們獲得照顧兒童的知識，提升其照顧能力。

自2025年1月1日起，寄養服務因應社會福利署推行的強化措施，陸續加強寄養家長培訓，新申請者須完成12小時結構化課程，現職寄養家長須完成9小時進修，並設立「培訓紀錄冊」以紀錄訓練時數及鼓勵寄養家長持續增值。

In its first seven months of operation, the Kidsmind Neighbourhood Support Child Care Project conducted two basic training courses, and invited a clinical psychologist and a registered nurse as speakers to deliver two advanced training courses in SEN child caring respectively, equipping trainees with the required skills and sensitivities. The Centre successfully recruited 30 participants as child carers, and 19 of whom completed the advanced training course. According to survey, all participants said the training enhanced their child care knowledge and improved their competency.

In response to Social Welfare Department's strengthened measures, with effect from January 1, 2025, Foster Care Service enhanced foster parent training, requiring new applicants to complete 12 hours of structured training and existing foster parents to complete 9 hours of refresher training, with a "Training Record Booklet" introduced to record training hours and encourage continuous professional development.

為加強對特殊教育需要學生的支援，同心牽持續與鄰近小學保持緊密合作，推行連串校本小組活動，以回應學生在校內的學習和社交需要。中心亦於課後支援班增設六個個人技能工作坊，促進學生的個人成長和生活技能。為進一步了解學生的家庭背景和需要，中心安排社工進行個別家訪，提供專業諮詢、資源配對及服務轉介，加強家庭支援網絡。

年內，健苗軒續獲合源慈善基金贊助「健苗童行計劃」，為來自基層家庭的SEN兒童，提供免費專業訓練，讓有需要的兒童能夠得到適切服務，同時減輕父母心理負擔和經濟壓力。

在社會福利署的資助下，寄養服務為具或懷疑具特殊需要的兒童提供專業評估及介入服務，包括心理輔導、職業治療、物理治療及言語治療等，為兒童提供更佳的專業支援。

To enhance support for students with special educational needs (SEN), Heart Link maintained close partnership with nearby primary schools and organized a series of school-based group activities to address their learning and social needs. Heart Link also added six personal skills workshops to the after-school support program, to nurture personal growth and life skills. To better understand the students' family background and needs, the Centre's social workers conducted home visits, providing professional consultation, resource matching and service referrals to strengthen family support network.

Thanks to Hop Yuen Charitable Foundation, Kidsmind was sponsored to launch the "Walking with Kidsmind" Program, providing free professional training sessions for SEN children from grassroots families to ensure timely support while easing parents' psychological and financial burdens.

Supported by Social Welfare Department, Foster Care Service provides professional assessment and intervention for children with or suspected of having, special needs, including psychological counseling, occupational therapy, physiotherapy and speech therapy, etc., to enrich professional support to children.

灣仔幼兒園參加了循道愛華村服務中心主辦的「JOY種小樹苗」計劃，除為校內的非華語學生提供增潤中文課堂，提升他們的語言能力，更為家長提供「非華語家長中文小組」，讓家長在輕鬆互動的環境中學習廣東話，有參與家長表示活動提升其使用廣東話的信心，亦有助他們一家融入社區。

Wan Chai Nursery joined the "JOY Little Saplings" Program organized by the Methodist Epworth Village Community Centre to offer Chinese enrichment class for non-Chinese speaking (NCS) students as well as "Chinese Support Group for NCS Parents", strengthening their language skills. The parents were encouraged to learn and practise Cantonese in a relaxed, interactive setting. Participating parents said these activities helped them develop confidence in using Cantonese and integrate in the local community integration.

本年度健苗軒持續拓展入校小組服務，並為個別學校提供職業治療導向的讀寫小組及專題講座。問卷結果顯示家長普遍認同講座有助提升他們與子女相處的知識和技巧，反映服務具備實用性及教育價值。中心同時獲攜手扶弱基金資助為48對親子開辦48節Playgroup課程，並將此服務延伸至灣仔幼兒園進行外展服務，讓兒童在熟悉環境中參與互動活動。課程由特殊幼兒導師及社工帶領，提升家長對幼兒發展及親子互動的認識及體驗。

Kidsmind continued expanding its in-school service by offering occupational therapy-oriented literacy group and themed seminar. Parent surveys indicated that the seminar enhanced their knowledge and skills in parenting, underscoring the program's practical and educational values. Supported by the Partnership Fund for the Disadvantaged, the Centre organized 48 playgroup sessions for 48 pairs of parents and children, and extended this service to Wan Chai Nursery as an outreach program, enabling children to participate in a familiar setting. Led by special education child care worker and social workers, this program strengthened parents' understanding of child development and enriched parent-child interaction.

同心牽在年內推出空中瑜伽、英語課程及烹飪小組等多項全新學習班組，為照顧者提供多元化的興趣培養及技能學習平台，藉以紓緩壓力，促進身心健康，更透過小組互動，彼此建立互助網絡，從而提升整體家庭的幸福感與凝聚力。

Heart Link launched new caregiver classes during the year — including aerial yoga, English, and cooking — to provide diverse interest and skills development. These activities helped them reduce stress, promote wellness, and, through group interaction, build mutual support network, strengthening family cohesion and happiness.

葵涌幼兒園獲優質教育基金資助，推行「我的行動承諾——感恩珍惜·積極樂觀」計劃，推行了多項培育活動，讓學生在遊戲和生活中培養良好品格。學校並舉行家長工作坊，提升家長對品格教育的認識與參與，又透過親子同樂日等活動，促進親子互動。校方同時舉辦培訓工作坊，強化教學團隊在品格教育方面的理念與技巧。學校還同步推行「好孩子」計劃，教師以正向語言及行為鼓勵幼兒表現良好行為，讓孩子在日常生活中學習以積極態度與人相處。

▲ 小詩班獻唱詩歌 Children's choir performance of hymns

Funded by Quality Education Fund, Kwai Chung Nursery launched "My Pledge — Gratitude, Appreciation, Positivity" Program, implementing a range of activities that nurture children's good character through play and daily lives. The Nursery organized workshop for parents to deepen their understanding and engagement in moral education, and organized family fun day to promote parent-child interaction. Training workshop was also provided for teachers to strengthen their concepts and skills in moral education. In parallel, the "Good Child" Scheme was held to foster children's good characters by promoting positive language and behavior, helping them adopt an optimistic, respectful attitude.

▲ 童遊迪士尼 Trip to Disneyland

轉眼間在聖基道已住滿兩年，這裏的時光藏著太多溫暖與成長。初來時的忐忑，很快就被家舍的人情味融化。

家舍同工總為我們安排豐富活動，例如去迪士尼和海洋公園，一齊宿營時會玩不同遊戲、唱歌和看星等。這些共同的歡樂時光，讓我們暫時忘記學習壓力，全程投入在活動中。舍友會像家人般互相照顧、聊天、留飯等，融洽的氛圍從未讓我感到孤單。

記得有一次我不小心打翻了新買的畫具，顏料倒了一地，畫紙也濕了大半，急得直跺腳，舍友看到後立刻放下手頭的事，有的找抹布幫我抹地，有的拿來毛巾吸乾畫紙上的水漬，還有人特意把自己的畫紙和膠帶給我——原以為會搞砸一整天的心情，卻因為大家的幫忙變得心頭暖暖，也讓我明白遇到麻煩時，身邊有人幫忙有多重要！

當然，朝夕相處難免會有磨擦，記得有一次因作息差異鬧彊扭，幸好細心的家長和社工及時調解，引導我和舍友换位思考。在他們的幫助下，我們解開誤會，關係反而變得更好。這讓我明白遇到爭吵並不可怕，重要的是有人幫忙擔當溝通的橋樑。

如今漫步林蔭道，心中滿是感激。聖基道不僅是一個家，更教會我珍惜友誼，學會包容。這段溫暖的經歷，早已成為我最寶貴的財富。

In the blink of an eye, I've lived at the Home for two years—time filled with warmth and growth. My initial unease quickly melted in the Home's caring atmosphere.

Staff arranged many activities for us, such as trips to Disneyland and Ocean Park, camps with games, singing, and stargazing. All these shared moments helped us forget stress of studies and fully engage. Housemates care for one another like family—chatting, saving meals, looking out for each other—so I never feel alone.

Once, I spilled newly bought art supplies, having paint and messy soaked paper everywhere. I panicked, but housemates immediately helped: some wiped the floor, others dried the paper, one even shared their own paper and tape with me. What could have ruined my day became a warm reminder of how much support matters.

Of course, living together brings friction. We once argued over routines, but the patient housemother and social worker mediated, guiding us to see from each other's perspective. We resolved the misunderstanding and grew closer. I learned that conflict isn't scary when there's a bridge for communication.

Now, walking down the tree-lined path, I feel grateful to the Home, which not only gives me a shelter but also let me know how to cherish friendship and practise tolerance. This warmth has become one of the most precious treasures in my life.

寄養家長分享 蔡太

Mrs. Choi, Foster Parent

▲ 蔡太與她的寄養兒童 Mrs. Choi and her foster child

我是個全職媽媽，六年前正忙著安排大女兒升讀小一、小女兒入讀幼稚園低班。當時，身邊不少已為人母的朋友開始重返職場，令我思考是否也能夠在照顧孩子的同時，作出新嘗試？偶然間，我在網上發現關於寄養家庭的資料，心想如果我一邊陪伴自己的孩子成長，又能一邊幫助有需要的家庭，何樂而不為呢？於是，我便遞交了申請表，正式成為一名寄養家長。

六年過去，我仍深深記得第一個寄養兒童留著天然捲髮、手抱著毛毛熊來到眼前的可愛模樣！她初來我家時才兩歲半，非常抗拒盥鞦韆，只要我一抱她坐上去，就會嚎啕大哭。那時的她腳步不穩、容易跌倒，而且總是額頭先著地。我相信盥鞦韆能幫助孩子訓練協調和平衡能力，所以每逢有空，我都帶她到公園慢慢嘗試。從最初的恐懼，到後來開始享受，再到學會用自己的力量向前擺動——那天她滿臉笑容、眼神自信的樣子，至今仍令我鼻頭一酸，感動萬分！

在踏上寄養服務這條路上，我很感謝聖基道的社工和臨床心理學家等專業團隊的陪伴與指導，他們不僅耐心教導我如何處理孩子的情緒與行為，更在日常生活中給予真切的支持。

同時，我也非常感謝寄養兒童原生家庭的信任，願意把孩子交到我手中，這份彼此信任令我深受鼓勵。我很榮幸能夠成為寄養家長，讓我不只看見孩子的蛻變，自己也獲益良多，感恩緣份讓我們遇上。

I'm a full-time mother. Six years ago, when I was occupied by arranging Primary One for my older daughter and K1 for my younger one, many friends like me were returning to workplace. I wondered if I could try something new while caring for my children. After learning about Foster Care Service online, I applied — hoping to support families in need while raising my own children and I made it eventually.

I still remember how adorable my first foster child was with natural curls clutching a teddy bear. Aged two and a half then, she was very fearful of swings that she would cry and yell if I helped her on the swing. She was unsteady on her feet and fell easily. Believing swings help coordination and balance, I took her to the park whenever we could. She moved from fear to enjoyment, then learned to swing by herself. Her beaming, confident face that day still brings tears to my eyes nowadays.

I am grateful to the Home's professional team — social workers and clinical psychologists — for their guidance and tangible day-to-day support to help me handle children's moods and behaviors.

Besides, I would like to thank the natural families of the foster children for their trust. As a foster parent, I am honored to have the opportunity of witnessing children's transformation which is also a rewarding experience to me. Thanks goodness that our paths crossed.

▲ 享受「共煮」時光 Enjoying home-cooked meal

我入住「薈舍」已有三年多，由離開院舍到共居生活，「食」是首先要面對的挑戰。以前在院舍，日常飲食都有人安排，對於剛離院獨立生活的我，安排一日三餐真的好煩惱，幸好「薈舍」附近有不同的食肆。入住初期又有兩位舍友，可以一起商討食飯地點，後來還會一起「煮飯仔」，真的很開心！

在「住」方面，共居生活令我學會分工合作，因為不再會有人為我們清潔居所，假如環境髒亂，最後都是自己承受後果，所以大家都要分擔家務，才可以令自己的居住環境保持整潔和舒適。

我亦很喜歡每月一次的家會活動，因為大家平日忙著上學或上班，回家後都已很疲倦，很少機會坐下來玩桌遊和一起做義工。但即使拖著疲累的身軀出席家會，舍友還是會投入參與，我覺得那是大家培養感情的最好時機。

最後，我很感恩自己能在「薈舍」生活三年多的時間，在這個過程中大家都看見我的成長，尤其是在處理情緒與思想上，在這裏我能夠得到很多的肯定，亦讓我更了解自己。我覺得共居計劃中每一個人都十分樂意和真誠地付出，令我感到被重視，我想藉此感謝他們！

I have lived at “T Lodge” for over three years. Moving from residential care to co-living, my first challenge was about food. In residential home, meals were arranged, but, living independently, planning three meals a day was a chore to me. Luckily, there are many eateries nearby. When I just moved in, I was happy to have two flat mates to discuss what and where to eat together. We later on started cooking for ourselves and had great fun of it.

Housing-wise, co-living taught me teamwork. Unlike in residential home, no one cleans for us anymore; if the flat is messy, we are the ones to bear the consequences. Sharing chores is the only way to keep our home clean and comfortable.

I also love our monthly house meetings. Usually, we were exhausted after school or work, with little time for board games or volunteering. Even when tired, everyone participates in house meetings — these moments really build our bonds.

I am grateful for my years at “T Lodge”. People here have witnessed my growth, especially in managing emotions and thoughts. I have received a lot affirmation here and learned more about myself. Everyone contributes willingly and sincerely, which makes me feel valued. Thank you all very much indeed!

不經不覺在葵涌幼兒園的門口走過了數千遍，我亦升格成為資深家長。葵涌幼兒園可以說是第二個家，亦是我們家庭的強大後盾。

感謝校長由七年前起選擇了我們四位小朋友，讓他們成為聖基道的學生，讓他們由N班開始入讀。現在三位小孩子已經順利升上聖公會的小學，孺子將於今年9月接棒投入聖基道的懷抱。

感謝學校能夠因應家長的需要，提供適切的協助。尤其是疫情復課時，學校能夠貼心彈性地按照家長的意願，讓小朋友能有正常回園學習的生活。

感謝老師多年來的努力，除日常教學外，還安排很多課外參觀活動。在課堂後常常花時間跟家長交流育兒心得，令我獲益良多。每一位孩子都是獨特的，每一個教育方向都不同；作為四孩之母，我深切體會到為人師表的難度。

感謝各位工友姐姐照顧孩子日常的大小事情，為他們預備早餐、水果、午餐、湯和茶點。每一位小孩子都會說：「真好！又到星期二可以吃雞翼。」他們時常在放學後跟爸爸媽媽興奮地分享：「我今日吃得最快！我今天添了兩碗湯！我最喜歡吃意粉！」

期待未來四年，繼續和葵涌幼兒園並肩向前，讓小孩子可以開開心心地享受美好的校園生活。

Parent of Ng Yu Tseng,
Kwai Chung Nursery

Over the years, I have walked past the gates of Kwai Chung Nursery thousands of times and become a seasoned parent. The nursery is like a second home and a strong support for our family.

I am grateful that the headmistress admitted our four children starting from pre-nursery class seven years ago. Three have progressed smoothly to Sheng Kung Hui primary schools, and our youngest will join Kwai Chung Nursery this September.

Thank you to the nursery for tailoring support to parents' needs — especially during the pandemic when the nursery thoughtfully offered flexible arrangements so children could resume normal on-campus learning.

My thanks also to the teachers for their years of dedication. Beyond daily lessons, they organized many outings and often stayed after class to exchange parenting tips with parents including me. Every child is unique, and every educational path differs; as a mother of four, I deeply appreciate how challenging teaching is.

I am thankful to the support staff who look after the children's daily needs — preparing breakfast, fruit, lunch, soup, and snacks. The children always say, "Great! It is Tuesday, time for chicken wings!" After school they excitedly tell us, "I ate the fastest today! I had two bowls of soup! I love pasta!"

I look forward to the next four years walking alongside Kwai Chung Nursery, so my youngest can happily enjoy a wonderful school life.

I want to take a moment to express my heartfelt gratitude to all the wonderful staff of Wan Chai Nursery. Your dedication and hard work have made a significant impact on my children, and I truly appreciate everything you do and the effort you put in!

From Noah's very first day, he was welcomed into a nurturing environment that encouraged him to explore, learn, grow and become curious about everything around him. Your patience and kindness have helped him blossom into a confident, well-mannered and articulate boy. I have watched Noah develop not only academically, but also socially and emotionally, learning the importance of respect, teamwork, and kindness. Each lesson taught and every story shared has ignited a spark of curiosity in him that I know will last a lifetime. The skills and values he has gained here will guide him as he moves forward in his education and life.

To the teachers, thank you for believing in my children and for inspiring him to reach their full potential. Thank you for creating a safe and supportive space where my children have truly thrived. Your dedication has made all the difference.

Thank you, Wan Chai Nursery, for being a place where my children have not only learned but have also grown into the amazing individuals they are today.

▲ 林鈞焮一家 Lam Ho Yan's family

鈞焮自2024年10月入託愛幼坊以來已經六個月。還記得當初家中長輩未能協助照顧，而我和丈夫又需要全職工作，正為照顧安排感到煩惱之際，幸運地遇上愛幼坊招生，我們便立即申請入託。感恩能為囡囡找到一個既溫暖又安心的學習環境。

愛幼坊的延長時間服務亦為我們這類雙職父母提供了極大的支援——鈞焮可以在中心享用晚餐才回家，回家後只需沖涼便可休息或進行親子活動，生活節奏變得更有規律。我還有一位四歲兒子，星期六的延長時間服務讓我更好地分配時間陪伴他，參與他的學校活動，不但減輕照顧壓力，也促進了親子關係。

在這段時間裏，我們見證著鈞焮每一個成長階段：從入託初時只會站立、未懂說話，到現在能夠聽著兒歌跳舞、說出許多單字、聽懂指令，她的進步實在令人欣喜。愛幼坊的幼兒工作人員不但悉心教導，還會幫囡囡紮小辮子打扮。每次回到中心，鈞焮都會主動向工作人員投懷送抱，這份信任和依賴讓我們感到非常安心。

幼兒工作人員用心了解囡囡的需要，以愛心和耐性引導她成長。鈞焮在愛幼坊總是笑容滿面，性格愈來愈開朗，充分反映她在中心的快樂成長。我們衷心感謝愛幼坊每一位工作人員的付出，讓我們一家人都感受到溫暖與支持。

Since October 2024, our daughter, Ho Yan, has been attending Kiddie Square for six months. When our elders could not help with care and both of us needed to work full-time, we were fortunate to find the opening of Kiddie Square and quickly enrolled. We are grateful to have a warm, reassuring environment for her to learn and grow.

The Extended Hours Service (EHS) has been a huge support for working parents like us. Ho Yan can have dinner at the Centre before coming home, so evenings are calmer and more structured — just a bath, then rest or family time. We also have a four-year-old son, and the Saturday EHS lets us better allocate time with him and participate in his school activities, easing caregiving pressure and strengthening our bond.

Over these months, we have seen every milestone of Ho Yan: from only standing and not speaking at the start, to dancing to nursery rhymes, saying many single words, and listening to instructions now. The progress is just amazing! The child care workers not only teach with care, they also help tie her hair into little braids. Each time we arrive, she runs to them for hugs joyfully, which gives us great peace of mind.

The team understands Ho Yan's needs and guides her with love and patience. She's always smiling at Kiddie Square and becoming more cheerful, reflecting how happy she is there. We sincerely thank every staff member for their dedication — it has brought real warmth and support to our family.

退休後，為了保持生活的動力，讓生活變得更为充實，我成為了健苗軒的義工，到中心協助照顧小朋友。知悉健苗軒在2024年9月開辦鄰里支援幼兒照顧計劃後，我立即登記，成為中心第一批社區保姆。

成為社區保姆讓我找到生活方向，藉著幫助他人感到快樂外，與小朋友相處亦讓我感覺放鬆，內心充滿歡欣，因為兒童簡單純真，讓我在相處中獲得一種簡單而真摯的幸福感，令退休生活變得有意義及充實。

After retiring, I became a volunteer at Kidsmind to stay active and fulfilled, helping care for children at the Centre. When the Neighbourhood Support Child Care Project launched in September 2024, I signed up immediately and became one of the first child carers in the community.

This role gives me direction and joy. Supporting families and spending time with children make me feeling relaxed and happy as the children's simplicity and innocence melt my heart. My contributions to the Project also make my retirement meaningful and rewarding.

我們一家自2024年初春便開始參與同心牽的活動。那天我獨自散步時偶然發現了這個社區服務，從此展開了一段充滿驚喜與感動的旅程。

孩子參加的活動非常多元化，包括升中面試班、中國水墨畫班、「凡事皆可能」計劃體驗活動、親子廚藝班、西貢環保植樹、復活節活動，接下來還會參加更多課程。我亦參加了瑜珈班，一直持續上課至今。

孩子最喜歡的是「凡事皆可能」計劃。這計劃的活動讓他們有機會發揮天馬行空的想法，進行街頭訪問、接觸陌生人，甚至探索水底世界。孩子至今仍津津樂道，常常跟我分享當時的趣事與感受。

我深深感受到，孩子在這些活動中真的成長了，變得更有自信，不再像以前那樣常常躲在我背後。他開始敢於表達、敢於嘗試，這是我作為家長最欣慰的地方。

我十分欣賞同心牽的團隊，能夠安排這麼多別具心思又有深度的活動，還能帶著孩子進行戶外探索。活動不僅貼地，還非常前衛，讓孩子接觸到社會不同面向，開拓視野。

我已經向身邊的朋友推介了同心牽，希望更多家庭能一起參與、一起成長。這不只是活動，更是一段讓孩子蛻變的旅程。

Our family began participating in the programs at Heart Link in early spring 2024. One day, while I was out walking alone, I stumbled upon this community service by chance. That moment marked the beginning of a journey filled with surprises and heartfelt experiences.

The activities offered to our children were incredibly diverse, including secondary school interview preparation, Chinese ink painting, "Karrie Nothing is Impossible" Program's experiential training, parent-child cooking class, tree planting in Sai Kung, and Easter celebration. More courses are lined up in the coming months. I also joined the yoga class and have been attending regularly ever since.

Among all the activities, our children's favorite was the "Karrie Nothing is Impossible" Program. It gave them the chance to unleash their imagination, conduct street interview, interact with strangers, and even explore the underwater world. They still talk about it enthusiastically and share their fun memories and feelings with me.

I have witnessed real growth in my children through these activities. Their confidence has improved significantly — they no longer hide behind me as they used to. They have become more expressive and willing to try new things, which is the most gratifying change for me as a parent.

I truly admire Heart Link's team for organizing such thoughtful and meaningful activities. They not only plan in-depth programs but also take the children outdoors to explore. The activities are grounded in real life yet forward-thinking, allowing children to experience different aspects of society and broaden their horizons.

I have already recommended Heart Link to my friends, hoping more families can join and grow together. This is more than just a series of activities — it's a transformative journey for our children.

我8歲的囡囡及4歲的囡囡分別確診患有不同的發展障礙。囡囡有專注力不足及讀寫障礙，情緒容易波動，時常發脾氣，與同齡孩子相處時容易發生衝突；囡囡則確診發展遲緩及語言遲緩，表達能力較弱。

我全職照顧子女，家庭經濟只能依靠丈夫一人工作維持，難以為孩子安排額外的訓練。直至我透過網上資訊得知健苗軒獲資助為有需要的家庭提供服務，便立刻替孩子報名，並獲安排接受針對性的訓練，包括情緒管理技巧、社交表達訓練及多感官學習方法，情況明顯改善——囡囡到中心接受訓練的前一天，他一時情緒激動，甚至出手打我，令我感到非常無助。中心得悉後，社工即時介入，耐心教導囡囡怎樣冷靜下來及處理情緒。翌日，囡囡主動道歉，令我非常感動，實在由衷感謝贊助機構及中心職員的支持！

雖然資助訓練已經結束，但我仍有運用訓練中所學的技巧，跟囡囡囡囡在家持續練習，他們的情緒控制及社交溝通能力至今仍有所進步，家庭氣氛亦變得更加和諧。

My son and daughter, aged 8 and 4 years old respectively, were diagnosed with different developmental needs. My son has ADHD and dyslexia, with mood swings and frequent conflicts with peers; my daughter has global developmental delay and speech delay, with weaker expressive language.

I am a full-time carer and my family relies on a single income, so extra training is out of reach. After learning online about Kidsmind's sponsored services, I signed up for my son and daughter at once, and targeted interventions were soon arranged for them, including emotional regulation, social communication training, and multi-sensory learning, leading to clear improvement. In fact, before the first training session, my son became highly agitated and even struck me, leaving me helpless. Noted the issue, Kidsmind's social worker intervened immediately, coaching him to calm down and manage his emotions. The next day, he apologized on his own, melting my heart deeply. Heartfelt thanks to the funding body and the Centre for the genuine support!

Although the funded program has ended, I keep on using the strategies learned. Both of my children are steadily improving in emotion control and social communication, and the home atmosphere is noticeably more harmonious.

「樂樂」「遙遙」助養計劃

“Lok-lok” & “Yiu-yiu” Sponsorship Scheme

助養計劃在籌款及推廣上喜獲多個伙伴支持，例如歌手兼舊生陳柏宇先生繼續擔任聖基道愛心大使，協助宣傳；獲Katch音樂娛樂平台贊助慈善音樂會門票；今日佳集團有限公司將「小小大老闆」的活動收益全數撥捐助養計劃；成為OK便利店「捐款e印仔計劃」的指定受惠機構之一。

推廣方面，本院欣見舊生和助養人繼續支持，助養計劃亦持續獲新舊伙伴提供免費宣傳廣告平台，包括百貨公司、商場、港鐵、碼頭、工商大廈、屋苑、宣傳車、共享充電器廣告屏聯網、郵件插頁和社交媒體等，將助養信息帶到社區每個角落。

The Scheme received strong fundraising and promotional support from various partners: for example, pop singer, also the Home's old boy, Mr. Jason Chan continued to help promote the Scheme as our Love Ambassador; Katch (H.K.) Limited sponsored charity concert tickets; Today's Plus Holding Limited donated all funds raised through the “Little Big Boss” events to the Scheme; and the Home was honored to be one of the beneficiaries of Circle K e-Stamp Donation Campaign.

For promotion, contributions continued from old boys and girls as well as sponsors, while both new and long-term partners offered free platforms — including department store, shopping malls, MTR stations, ferry piers, commercial buildings, housing estates, ad truck, charging station screens, mail inserts, and social media — helping spread the Scheme's message across the community.
